Guide

1. Major providential events and achievements that True Parents initiated or conducted are recorded in order of date.
2. For conferences, the date indicates when the event began or the day on which True Parents attended. For international speaking tours, dates reflect the full span of the tour plus the day on which True Parents arrived in the country.
3. Where dates on the lunar calendar or heavenly calendar are included, they are written in a shortened form, with the month and date, followed by LC for lunar calendar or HC for heavenly calendar. For example, 1.13 HC would mean the 13th day of the 1st month by the heavenly calendar.
