## **40 Days Condition to Welcome True Mother back to America**

Ki Hoon Kim and Michael Balcomb

October 20, 2016

Dear Family,

We hope that this final quarter of the year is bringing you many blessings. Thank you for all your investment and efforts in the realization of Vision 2020.

We are eagerly preparing to welcome True Parents back to America at the end of November.

This Friday, October 21, marks 40 days until True Mother is returning to the USA and is preparing to give a memorable speech on Capitol Hill in Washington DC.

We would like to invite you to join a 40-day condition of prayer. Let's come together with one heart and pray for the protection of True Mother as she journeys to America, and for a victorious ILC event.

You can join this condition in any way you feel moved. It can be through prayer, fasting, Gyeong Bae, Hoon Dok Hae, or other ways that inspire you.

Here are some suggested prayer points:

1. Protection of our True Parents.
2. True Mother's safe return to America.
3. For America to fully unite in heart with Heavenly Parent and True Parents and substantially take the role of the elder son.
4. A victorious conclusion of the International Leadership Conference series.
5. A successful speech on Capitol Hill.

The 40-day period is from October 21, 2016 to November 29, 2016.

We hope you can join in these efforts to offer devotions and to set a spiritual foundation to Welcome True Parents in the USA for the sake of God's Providence to prevail in America and throughout the world.

God Bless you and your families,

Dr. Ki Hoon Kim
