December 14, 2016

Dear Families

We've just had news of a really exciting opportunity for young people with musical and artistic talent to join a special ARTS, MUSIC and CULTURE workshop in Korea, culminating in live performances for True Parents' Birthday on February 2 and Foundation Day on February 9, 2017.

Even better, True Mother is showing her love for young people and for the arts by providing a grant for all costs of the workshop in Korea.

The official arrival date in Korea is Tuesday, December 27, but there may be some flexibility up until January 2, 2017.

As you can see from the memo below (attached as well), the application deadline is short and there are limited spaces available. Please encourage those interested in this opportunity to submit an application right away!

Send your applications to Miilhan Stephens, our Vice President, at mstephens@unification.org by Wednesday, December 21.

Further details and additional online registration will follow soon.

Sincerely,

Dr. Ki Hoon Kim
Continental Director

Dr. Michael Balcomb
President
