True Mother Is Coming To Europe!

The celebrated ShowPalace event arena in Munich has been selected as the location for our True Mother's much anticipated Whitsun (Pentecost) visit to Europe on the weekend of 18th to the 19th of May.

The event has been officially titled: **"Bloom! Pentecost with True Mother"**. Registrations are now closed, but all the information about the event can be seen here:

Interested in Volunteering? Apply Now! – REGISTRATIONS CLOSED

We have begun the major planning efforts for True Mother's visit to EUME in May; in order to make "Bloom!" as successful as possible, though, we need your help! We are just 40 days away from the event and are looking for volunteers to join the various departments of our team. Some positions will require more effort now, and some will be busier during the actual event, but we have space for anyone who wants to help!

If you are interested in volunteering at the event, [please check out the information here](#) and/or [here](#).

"It wasn't easy to find the right location," said Bogdan Pammer, the EUME Vice President who is coordinating the planning. "We had strong offers from Dusseldorf, Cologne and other facilities in Munich, and we visited them all. But the ShowPalast stood out. It's offbeat, stylish and fun. An oh yes – it also features the largest LED video wall in all of Europe."

The ShowPalace is just a few hundred metres from the Allianz Arena, home of Bayern Munich and of course, England football captain Harry Kane. It's close to the airport and directly connected to the Munich UBahn with lots of onsite parking as well. But practical convenience is not the primary consideration, of course.

"Mother's visit will surely be a spiritual and cultural highlight of our year," says FFWPU EUME President Mike Balcomb, "and I know she's also really looking forward to meeting us all, young and old alike."

So the organisers say they are working hard to make very sure that the festival has something for kids – and adults – of all ages, with music, sports, games and entertainment.

In the coming days registration information will be provided through all our regular channels and early sign up is strongly advised to avoid disappointment and possible higher prices later.

"Cancel all your other plans and come to Munich," says Balcomb with a smile. "That's the place you want to be for a truly spirit-filled experience!"
