Day Of All True Things Is This Thursday June 6th 2024

Dr. Balcomb, our National Director, extends his blessings to all families as we approach the Day of All True Things, reminding us of the profound significance of this Holy Day.

Fumiko and I wish you every blessing for the two upcoming Holy Days, the 62nd Day of All True Things and the 70th Anniversary of the Founding of HSAUWC which will both be celebrated this coming Thursday June 6th. That day is also being celebrated here in the UK as the 80th Anniversary of D-Day.

These will be our first Holy Day celebrations since True Mother, Dr. Hak Ja Han Moon, came to be with us in Munich, so I am hoping that we can all offer a little bit more filial piety, devotion and gratitude. The first way to do that is by attending a Holy Day celebration in person. Most communities are holding services this coming weekend. Some families will still celebrate from home. In any case we should keep our traditions by creating a Holy Table, making a Holy Day offering donation and investing all our devotion just as if we were hosting Heavenly Parent and True Parents in our own homes.

Secondly, we are all being invited to join in prayer on the Holy Day itself, June 6th. We will have a short devotional Zoom pledge and service together from 0700 - 0730 CET. True Mother knows well that her loyal sons and daughters of EUME will be with her 24 hours of this special day, so please join if you can! Join using our usual Zoom link which is: [zoom.us/j/478639638](https://zoom.us/j/478639638)

Thirdly, please give your Holy Day offering as generously as you can. One suggestion: add an extra 10% to the suggested \$120 for individuals or \$210 for families, by giving 120€ or 210€ or more.

On the Day of All Things, we show our gratitude to God for the good things in life, given freely to all of us despite our shortcomings. As Jesus said in the Sermon on the Mount "He makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust. (Matt. 5:45)" In return, God hope that we too should love and be generous to everyone, even our enemies. Important guidance for us all to consider at this time when our continent and region is being torn apart by war.

True Father, Rev. Sun Myung Moon, talks about the founding Day of HSAUWC in his autobiography, As a Peace Loving Global Citizen. He did not want to create a new church, but the time came to make a new beginning, so:

We hung out a sign that read "Holy Spirit Association for the Unification of World Christianity." We chose this name to signify that we belonged to no denomination, and we certainly had no plans to create a new one ... our name is meant to say, "The spiritual world, centering on God, is with us."

What an uplifting thought! "Heaven and Earth, and God himself, are with us!" True Mother is always urging us to inherit the spirit and faith of those early days, now seventy years ago. In response to True Mother's recent encouragement to witness, let's invite as many people as we can from among our neighbours and friends to join us in this festival of thanksgiving.
