As the holiday season approached, the Children's Ministry launched a heartwarming initiative to inspire kindness and creativity among children. From November 1st to December 14th, children aged 4 to 11 were invited to participate in a 44-day challenge to practice kindness and create artwork reflecting the theme "Be Kind."

We were delighted to receive eight wonderful submissions, each showcasing how young hearts can make a difference through acts of kindness - toward others and the environment. The creativity and thoughtfulness expressed in the artwork were truly inspiring.

After much deliberation, we are excited to announce the winners:

1st Place: Nazar V. from Maidstone Community (£50 prize)

2nd Place: Verena P. from River South Community (£40 prize)

3rd Place: Liza R. from North of Thames Community (£30 prize)

We extend our heartfelt gratitude to Beatriz Lozano, who served as a judge for the contest. Her artistic expertise and dedication were invaluable in selecting the winners.

Congratulations to the winners and all participants for sharing their talents and reminding us of the power of kindness! To celebrate their creativity and effort, each participant will receive a congratulatory certificate.

Thank you to everyone who participated and supported this contest.

Let's continue to spread kindness in our daily lives!
