The Final 40-Day Devotion Before the Entrance Ceremony!

Just a couple of hours ago, we received an urgent message from the World Mission Headquarters informing us that we would join a final 40-day period of devotion before the entrance ceremony for the Cheonwongung, which will start today. That memo from Korea has already been sent out and is also copied below for convenience.

Of course, the short notice is very unfortunate. Nevertheless, almost all members are already in the midst

of devotional preparation for this tremendous providential event. We started a 160-day condition (4 x 40 days) more than 4 months ago, and indeed, we all have our minds focused clearly on the events in April. So, let's do our best and unite with this latest guidance.

You will notice THREE offerings to make during this time and THREE prayer points.

The three offerings are:

- 1) Prayer for the three specified prayer points
- 2) Participate in the Cheonshim Won Special Night Vigil (as often as possible)
- 3) Viewing the six lecture videos on the "Epic History of the Chosen Han People of Korea"

The Korean Epic will inform many aspects of the Entrance Ceremony. During our pilgrimage, we will visit a display in the Cheonwongung, and the victory celebration will include a musical version of the epic. Familiarizing ourselves with its contents will significantly help us understand and prepare.

Next, there are the THREE points of prayer. Let's say additional points of prayer.

- 1) To achieve oneness with Holy Mother Han, our True Mother.
- 2) For a victorious Entrance into the Cheon Won Gung Cheonil Sanctum
- 3) For the Heavenly United States to fulfil its responsibility to all of humankind as the providential eldest son nation. Let's go out on a limb and add to this a prayer for EUME and each of our own nations!

Thank you for your understanding and support!

Sincerely,

Michael and Fumiko Balcomb

Our Final 40 Days Devotion

- (1) When is it?**
- (2) What conditions are suggested?**
- (3) Participation in EUME**
- (4) A note about the Cheonsong Fund**

The Entrance Ceremony of the Cheonil Sanctum, is Heavenly Parent's Long Awaited Dream

When is this 40 Days Condition?

- It **already started two days ago on February 27th** by True Mother's urgent direction. It will conclude on April 8th.
- Although the Entrance Ceremony is on April 13th, there are other celebration events before that, starting on April 10th.
- Why the rush?
 - True Mother is absolutely serious that the Entrance Ceremony should mark a new beginning of human history.
 - But, the real state of the world and particularly the providential nations is not very encouraging.
 - Therefore the urgent call for devotions starting right away.

What are the requested conditions?

- We conveyed the basics in our memo on Feb 27. There are three:
 - A. 40 Days of Prayer**
 - B. Participation in the Cheonshimwon Night Vigils**
 - C. Study the *Great Epic of the Chosen Han People* and *Chambumoron*.**
 - D. Additionally, yesterday World Mission HQ Director Dr. Song mentioned the importance of joining the Special Grace through a series of *Three Day Revival Meetings***
 - E. He also mentioned the significance of the *Cheonsong Fund***

A: What are the Three Points of Prayer?

- There are 3 additional points of prayer to add to the 5 we already do:
 1. To achieve oneness with Holy Mother Han, our True Mother.
 2. For a Heavenly Parent's Victorious Entrance into the Cheon Won Gung and the Cheonil Sanctum
 3. For the ***Heavenly United States*** to fulfil its responsibility to all of humankind as the providential eldest son nation.
 - True Mother feels strongly the need for the new Administration in the USA to be connected to Heaven's Providence and to True Mother's guidance
 - Let's add to this a prayer for EUME and for the political, religious and civil leadership of all our nations!.

I forgot, what are the 5 Existing Points?

1. For **True Mother** and her health, vigour and long life
2. For the **Victorious Entrance** into the Cheon Won Gung and the Cheonil Sanctum
3. For the young people of the world to become ***Pure Water*** through witnessing, education and the Blessing.
4. For Korea to become a **Heavenly Unified Korea**, despite the current crises in North and South
5. For an **immediate end to the conflicts** between nations and religions and particularly in the EUME Region

B: How do we join the Cheonshimwon Vigils?

- Cheonshimwon Night Prayer Vigils in Korea are held Monday to Friday and sometimes at the weekend, from 10pm to 1:15am, which is 1400-1715 CET. Yesterday was the 1250th Night Vigil.
- These are **broadcast live on YouTube and Zoom** in several languages.
- The **EUME Cheonbo Branch** also offers Night Prayer Vigils according to local time, which can be joined online or in person.
- Many **local communities hold Night Vigils** in their *Cheonshimwon*
- Join as often and as long as you can; but ***do something every day***

C: What is the nature of the study conditions?

- True Mother has emphasized awareness of the current providence as an essential point of attendance, and “attending Holy Mother Han.” To this end she has given us some study “Homework”
- The **Great Epic of the Chosen Han People** is True Mother’s offering to help explain to the Korean people – and to the world – that they have been chosen by God – and so have all of us. Most of us are not at all familiar with Korean history
- The **Chambumoron** supplements the *Divine Principle* by introducing the dream of Heavenly Parent, the essence of Jesus life and course, and more details of True Parents’ life course. Many of us have already studied all or part of the *Chambumoron*, but there is more to learn

So how do I access these study materials?

- EUME has created an online repository of the Great Epic.
 - Power Points (EN, FR, ES): <https://bit.ly/HanEpicMaterial>
 - Videos (EN, FR, ES, JP): <https://bit.ly/HanEpicVideo>
- We recommend that all members study the Great Epic first
- In addition, there are several versions of the Chambumoron lectures available online here:
- <https://www.edu.familyfed.org/course>

D: What are the “Three Day Revivals”

- The time period to receive “Special Grace” began on February 2nd with the Global Celebration of True Parents’ Holy Birthdays. This period will conclude on April 12th with True Mother’s Prayer at the Cosmic Blessing.
- Therefore, we are already almost at the half-way point!
- True Parents and Heavenly Parents’ wish is that all members, 1st, 2nd and 3rd Generation will participate and do so as quickly as possible.
- The taking of the Special Grace Holy Wine should be a sacred ceremony of repentance and redetermination for all of us.
- In Korea and Japan, they have been holding Three Day Revivals and we are going to follow this example:

D: How to join a “Three Day Revival” in EUME

- **FRIDAY:** Join the Cheonshimwon Night Vigil Prayer
- **SATURDAY:** Join the Special EUME Saturday Devotional Service

2. March 7, 8 & 9
3. March 14, 15 & 16
4. March 21, 22 & 23

- Additionally, **each community** is encouraged to hold their own 3-Day revival meeting/s featuring in person Cheonshimwon prayer and study.

E: The Cheonwongung Cheonsong Fund?

- A worldwide appeal to raise funds to assist in the construction and completion of the Cheonwongung and Cheonil Sanctum.
- An opportunity for members and Blessed families to make a substantial and permanent contribution to join True Parents' offering.
- In Round 1 (Jan 2022-May 2023) our EUME focus was on overall participation. We made our goal of having 3000+ donors. Thank you again to all who participated in Round 1!
- Now we are drawing to the end of Round 2 (May 2023-April 2025) which concludes at the end of March, before the Entrance Ceremony. There is a special opportunity for major donors during this time.
- Round 3 will commence after the Entrance Ceremony until the end of 2027, or even beyond.

What are the suggested donation amounts?

- The campaign is structured around fixed donation amounts called “Units”
- One unit is 1 million Korean Won (1,000,000 KRW) at a fixed rate of €700.
- There is an emphasis and indeed a hope that as many families as possible become MAJOR DONORS by giving 21 units (21,000,000 KRW) €14,700.

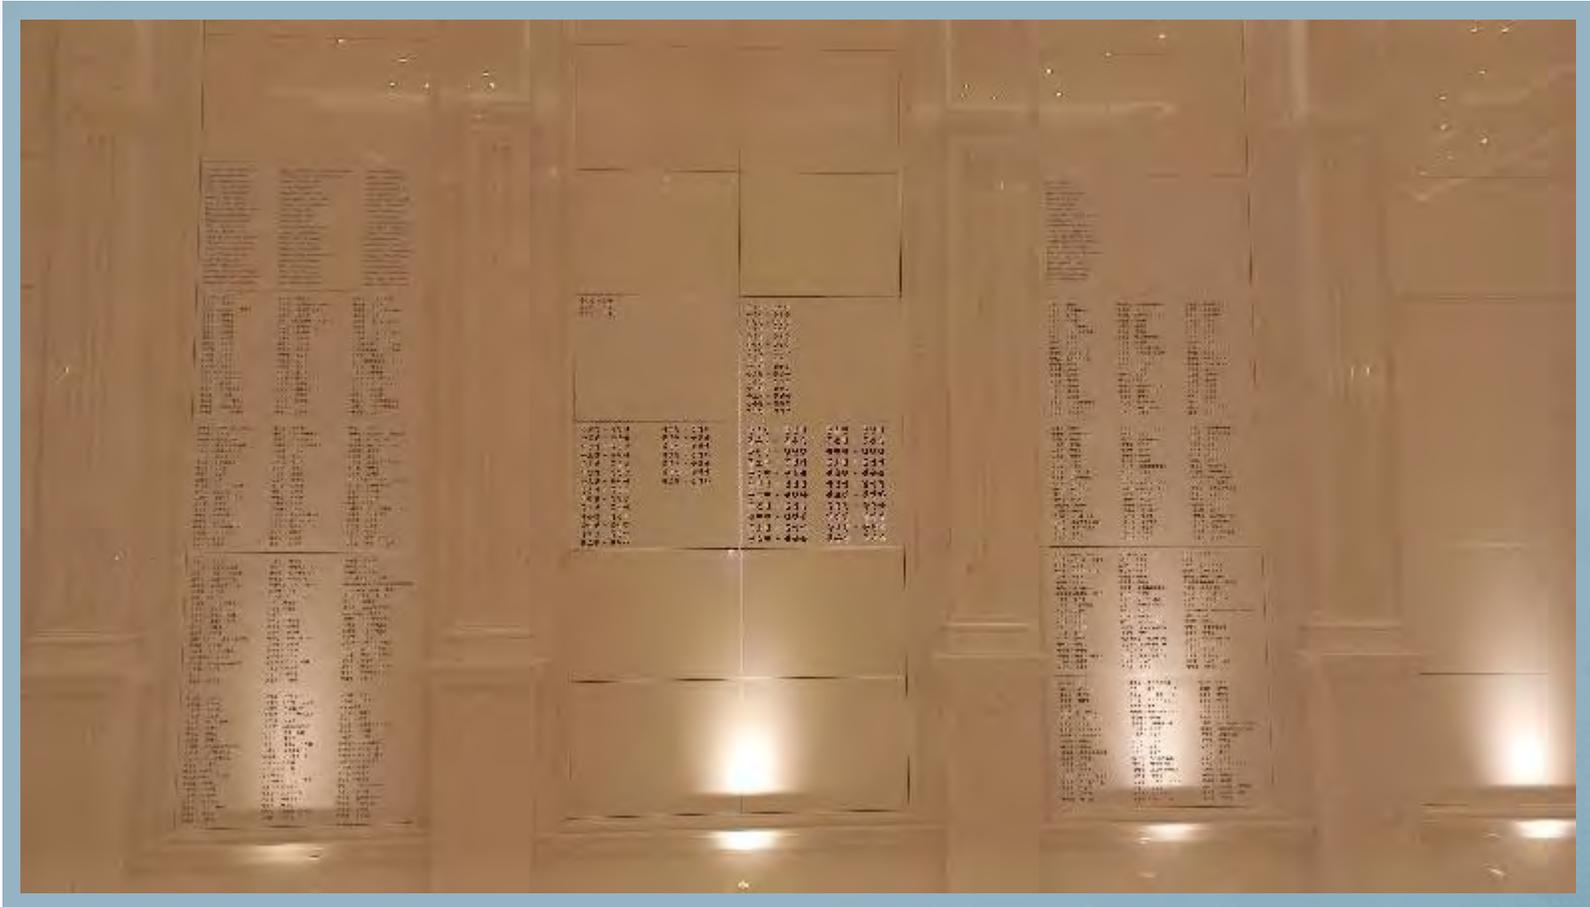

Donor Recognition

- True Mother wants to recognize and memorialize all donors to the Cheonwongung and the CheonIl Sanctum
- All donations of one unit or more will be honored in a digital display
- Families that can donate **21 units or more** will have their names **inscribed in stone on the “Donor Wall”**
- Additionally, those who complete the **21 units by March 1, 2025** have the additional privilege of having their names being in the “First batch” of major donors.

How many major donors do we have in EUME?

- As of this date, we now have **50 major donors** who have given 21 units or more. Over 30 of these have come forward in the last week! By comparison, the USA has over 400 ...
- We are encouraging all families to challenge becoming major donors.
- Our EUME goal is to have at least **70 major donors by the Entrance Ceremony** and **210, 400 or more major donors by 2027,**
- All those who do so will be recognized on the **Donor Wall**, which will be updated every year. Those who complete it by **March 1 2025** will be included in the “First Batch” of Major Donors

Founding Donors . . . a step further

- Those families and individuals that can do so are encouraged to keep going up to the target of **100 units (€70,000)** to be a **Founding Donor**
- So far in EUME we have **four** families in this category. USA has 12
- Our goal is to have **at least 12 Founding Donors by 2027**
- Those who do so will be recognized on the Donor Wall, in a special central area, and those who complete it by March 1 will be included in the “First Batch” of Founding Donors.

Calling all donors!

- **Every donation of every size** will always be gratefully received. **They all count.**
- We know everyone's financial circumstances are different. However, if you are at all able to do so, please **try to give one more unit** before April 13 – or at least, double what you have been able to give so far.
- This is a blunt request. But I believe I must make it. Even so, I believe and hope that our conscience can resonate with the oft-cited example of the **USA Pilgrim Fathers**, who put the construction and maintenance of **God's House above that of their own homes.**

Thank you!
