

1st Anniversary of True Father's Seonghwa

Michael Balcomb
June 17, 2013

Dear Brothers and Sisters,

In just over two months we will reach the first anniversary of True Father's Seonghwa. In addition to an international program being held in Korea, we are encouraging every community in the USA to hold a local ceremony. These local ceremonies should be joyful and forward-looking as a way for friends and guests to understand True Father's life and vision.

Following is information about the first anniversary from our International Headquarters. It explains the significance of this commemorative event and calls us to offer special conditions and a donation of \$210 per family and \$120 per single adult. Within the 100 day devotion period, America will also conduct a 40-day witnessing condition with details to be announced by each District.

America is invited to send a delegation of fifty young people to attend the historic international program in Korea. Bishop Kim and I are asking that you also consider an offering of \$100 in additional support to help the participating families cover the costs of this experience.

All donations will be gratefully received. Please submit your offering to your local church by July 31, 2013.

Thank you,

Dr. Michael Balcomb
President
