### **#1/13 TFs words about True Mother July 6 1992 The Reappearance of the True Parents the Ideal Family**

The True Mother, who has been in the position of following after the True Father, has for the first time in history come to stand in an equal position. Through her worldwide declaration of the liberation of women, the True Father and the True Mother will take their children, go before God, and inherit all the authority and power of heaven. They will establish the original family, and reclaim the tribe, race, nation, world and cosmos, and reorganize the perfect world of God's will.

All men are in the position of the archangel. Therefore, they stand in the position of having to give back all women. Women stand in the position of being the extension of the True Mother, the perfected Eve. From the position of the extension of Eve and on the condition of becoming one with the True Mother, they come to the condition of becoming one with the True Father. From this position they must educate their sons and daughters in the thought of the True Parents.

Through this education the sons and daughters come to have the status of being true sons and daughters and they should become one with their mother. Then they should reeducate the worldly father and receive True Parents' blessing. From the position of being grafted to the True Parents, they come to learn the family duty of the True Parents.

### **#2/13 TFs words about True Mother Aug 20 1992 Original Restoration and My Rebirth Mother's Course**

Until now Mother has followed Father like a shadow but now Mother is proclaiming the liberation of women. Father appears in the Brothers position to all women who have been molested and abused by men. Father watches over Mother and protects her. He is taking the role of the elder brother to assure that all women in the World will grow up as daughters of God and fulfill properly their positions as sisters, wives and mothers. Father makes certain that they will no longer be invaded by man.

The best way for women to do that is to totally unite and become one with Mother. The door for the true liberation of women is now wide open for the first time.

Women will unite with Mother's heart and learn about the four heartistic positions. Then she must teach her husband and children. When the husband learns from his wife and unites with her, Father will approve for him to stand in the restored Adam position.

from old CSG: Book 2 Chap 1 Sec 3.15**

Mother is by nature an introspective and quiet person, but she has learned to be observant about her surroundings and has become increasingly active. This is a result of the training she has received since she met me. She is indeed a quiet and well-mannered woman. Before our wedding, when she visited Cheongpa-dong, she would always come and go on the same path. I observed her behavior carefully. She took the same path the first time she came and again the second time she came. In those days I was looking for a woman who could become the Mother and I was giving the matter much consideration. When I saw how Mother chose to walk along the same path each time, I said to myself, "She is the one." Also I was pleased with her name, Hak Ja Han (韓鶴子). Her surname, Han, refers both to the study of the Chinese classics and to a feeling of bitter sorrow. Her name suggests a scholar researching deeply about God. I thought that if a woman could become a scholar of bitter sorrow, she could certainly become God's partner. I liked Mother's surname and her given name. Because of her background, I trained her and she has come to where she is today. So I am proclaiming her victory as the True Mother. As a representative of all women, she has crossed the mountain of bitter sorrow. That is why I am proclaiming her to be the root of all mothers. (232-307, 1992.07.10)

I was also looking for the representative woman who possessed love for others by tradition, and I chose Mother because she fitted the part in every aspect. My eyes are not that clouded. It is not because of her beautiful face that she is so wonderful. She has a beautiful face because she has a beautiful heart. Because her heart is beautiful, her voice is beautiful and her features are graceful. [Applause] Even onstage, she is a natural. The first time she sang onstage was when she was sixteen years old and a junior in high school. After she sang, she became known for her singing. No matter who was in front of her, whether I or someone else, she was always bold onstage, like a champion. Though she looks docile, she has grit. You can see that right away when you see her hands. Though her face looks gentle, her hands are thick and bold. She doesn't waver even when she stands at a podium. That is why I have chosen her as Mother.

Parents Day I 1990 March 27**

Today is the 30th anniversary of Parents' Day. This anniversary is particularly significant for True Mother. Thirty was the age Jesus began his public ministry. Although he was unable to accomplish his mission on the national level, I have set the conditions for the consummation of the True Parents' mission, fully accomplishing my mission. After 30 years together, Father and Mother as the True Parents have completely laid the worldwide and universal foundation for the Kingdom of Heaven on earth.

The first seven years were Mother's training session. The first three years were for her to struggle for her own victory as an individual woman, to be victorious in the sight of God by winning over Satan. The next four years were for the whole family to go through that incredible testing period. Mother started out at the bottom, moving toward perfection.

Since Mother continually persevered, since she was patient and silent and maintained her faith in me, eventually the whole environment of accusation was reversed into respect and admiration. By then everyone was nodding and saying, She really deserves to be the Mother of the universe. She really is Mother.

Through their victorious demonstration of faith, their untiring devotion and absolute dedication to me, Mother and Grandmother Hong were victorious. Therefore, after achieving this condition of universal victory, I have now decided to give Grandmother glory as the mother of Mother. In her own lifetime she must receive the respect, admiration, and glory that are due her. If she died without receiving that glory, it would affect the coming generation of children. It is according to the Principle point of view that I am now treating her differently.

This daughter, who was 17 years old when she was blessed to me, must become the queen. She must advance to the position of the queen of the heavenly kingdom. Therefore, after our Holy Wedding she had to pass through the positions of wife, mother and grandmother, and rise up to the position of queen. When I refer to her as True Mother, it is because she is the mother who represents the heavenly nation and when I say she is my wife, it means that she represents the king and therefore must be attended as if attending the king. You were able to enter the loins of True Father because you have been one in heart with him. But you were not just to remain as a baby seed within True Father ; you also had to be born again through True Mother's womb. For this purpose I established True Mother through the Holy Wedding I conducted in 1960. Based on this, you had to feel from True Mother the grace and love that you had felt when you were within the body of True Father, and out of that love, you loved and attended her. As much as you loved me, it was through that emotional connection to True Mother and your bond of love with her that your rebirth was finally made possible. (035-227, 1970.10.19)

The responsible person of the Unification Church is not Hyung Jin nor Kook Jin. On the top of Hyung Jin there is Mother, and on the top of her, there is Father. Do you understand? Do not forget this. An order starts from one.

Everyone cannot help but respect True Mother. She emerged after passing through three spiritual churches. Over and over, she heard from her mother that the Lord will come in the future, and that when she meets him, she must attend him this way and that. Daemonim repeatedly taught her so many times that her teaching infused into Mothers bone marrow. This is how she was educated to become True Mother. This daughter, who was 17 years old when she was blessed to me, must become the queen. She must advance to the position of the queen of the heavenly kingdom. Therefore, after our Holy Wedding she had to pass through the positions of wife, mother and grandmother, and rise up to the position of queen. The Unification Church is the first parent-type religion. Religion began with the servant religion and has progressed to the adopted-child religion, the

stepchild religion, the son and daughter religion, and then the mother religion.

God has been ever looking for the mother. God, the masculine subject partner, has had no partner. He needs a female object partner. She is His partner, and at the same time she is the queen of earth. She is the queen of the tribes and queen of the families. She stands as the grandmother of all ancestors, the mother of all humankind, the wife of God and the daughter of God.

Mother is such a woman, with the value of the original True Mother. She is the queen of heaven, the queen of earth, the queen of the nation, the grandmother to her ancestors, the mother of humankind, the wife of God and the daughter of God. Mother's value is found in all of these roles.

Rev. Kim Seong-do's church was on the west coast of North Korea. After she died, Rev. Heo Ho-bin became its leader. True Mother's mother (Dae Mo nim) was a devout member of that church. She first brought Mother to that church when she was four years old, and Rev. Heo's mother gave her blessing to Mother when she was six. That blessing symbolized the bequeathal to Mother, the succession of the mission to attend the Returning Lord.

When I first met Mother, I already knew about this succession. Everything that God had prepared was realized in 1960; that is how True Parents were able to emerge today. Based on this, it became possible to bestow the marriage Blessing on the church members so as to make them God's children.
