True Parents' Status/Value

FACTS about OBS & OBD

- ▶ OBS is mentioned 4x in NT bible
- ▶ **Why no mention of OBD in the bible?** Because the bible doesn't have the concept of True Parents and doesn't emphasize the value of true lineage because of ignorance
- ▶ From the books "Sermon of RSMM" OBS was mentioned **1500 times** (1st spoken in 1956.4.8) until TF's seonghwa.
- ▶ OBD is 1st spoken in 1959.10.11 and was mentioned **180 times** until seonghwa
- ▶ In Wolli-wonbon 2x / In Wolli-haesol 4x / In Exposition 8x
- ▶ **Why?** Because the value of BIRTH through true love, true life, and true lineage is not much emphasized on DP books **except focusing on the preparation to welcome the second coming of the messiah**

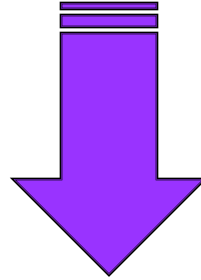

Meaning of OBS & OBD

- ▶ OBS & OBD is connected to a heavenly lineage forming a parent-child relationship by receiving true life through God's true love.
- ▶ OBS & OBD has no condition for **satan's** accusation and no relationship with the fallen lineage
- ▶ OBS & OBD are direct son & daughter of Heaven and are created to be God's substantial (perfected) object partners of His origYang & origYin.
- ▶ OBS & OBD are the very firstborn to receive & possessed God's true love, true life & true lineage
- ▶ From ChambumoGyeong: Bk1 ch2 Sec 1 verse 3 1969.5.17 **"to be the OBS or OBD means to have taken possession of HF's first love"**
- ▶ From Vol 192 1989.7.2 **"OBS is the man who inherits God's life, His lineage centering on His love."**

True Parents (OBS+OBD): fulfillment of God's Ideal of Creation

God & True Parents

**Ideal Man = God's children
Absolute Object Partners**

The VALUE of a Perfected Person

The relationship between God and a fully mature person resembles the relationship between the dual characteristics of mind & body.

Just as there is inseparable oneness between the mind and body of a true person centered on God, **there is inseparable oneness between God and a true person who together formed a 4-position foundation.**

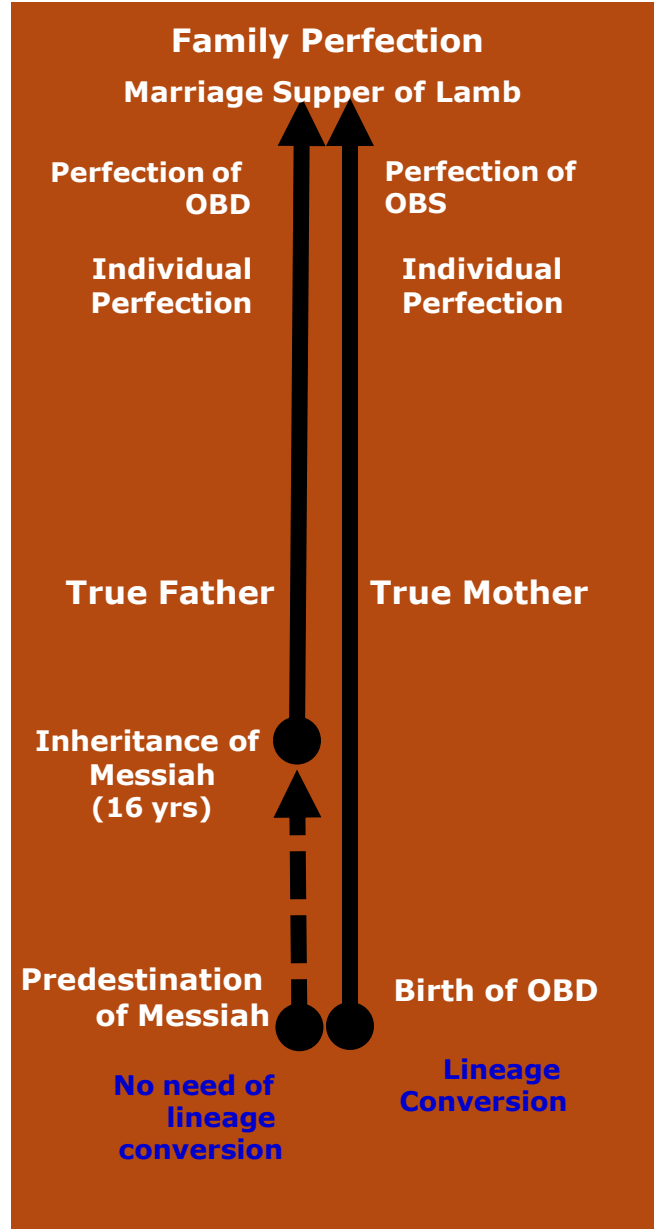

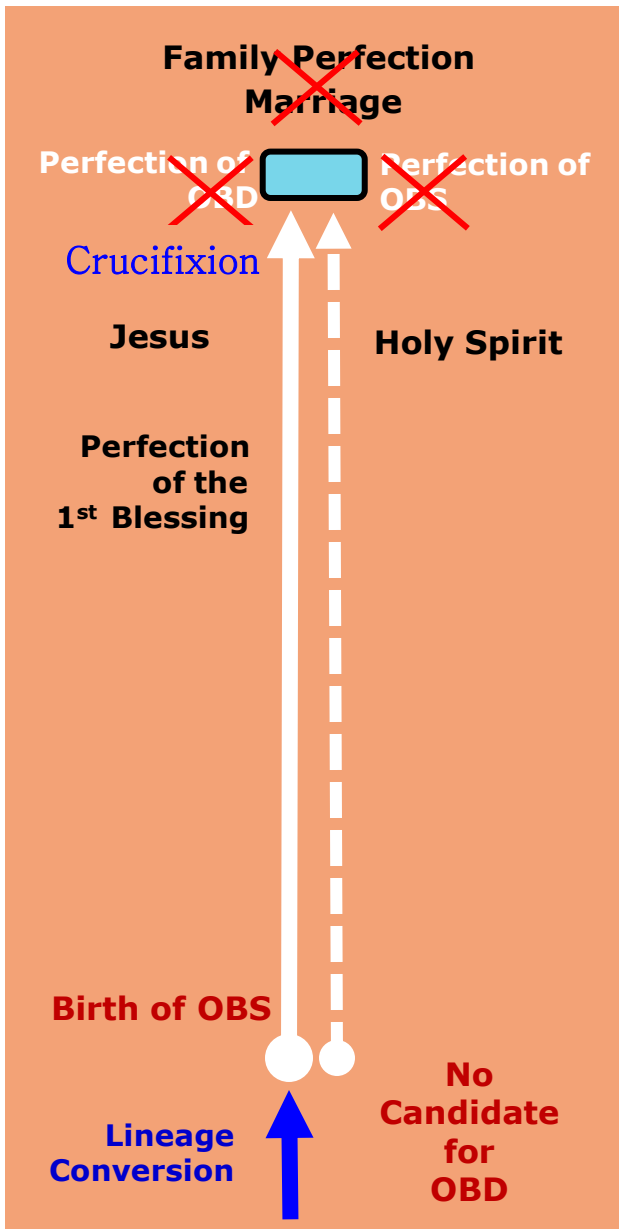

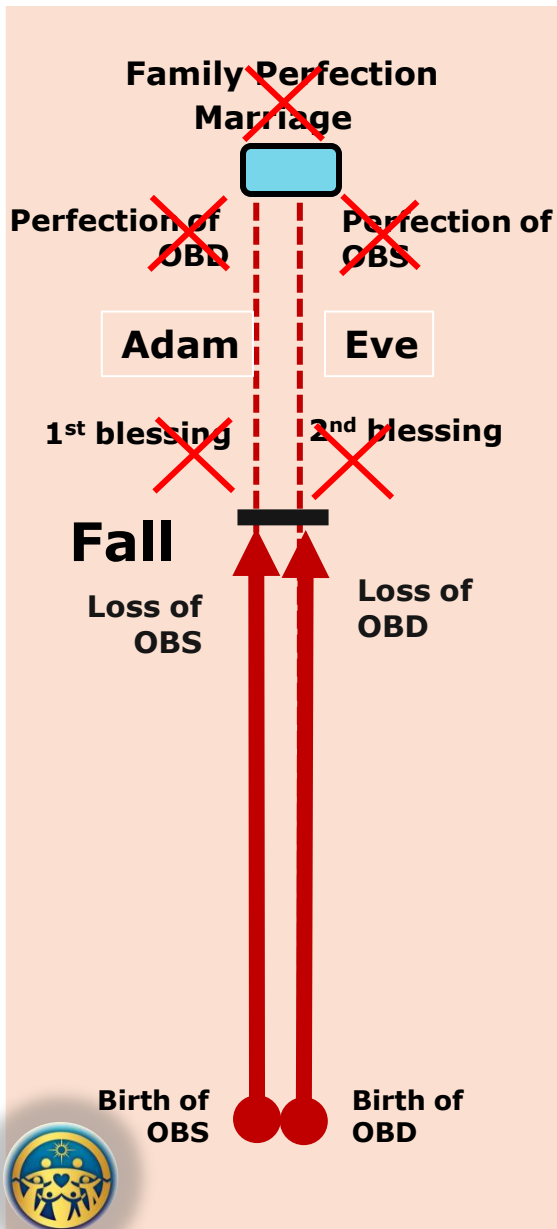

Thus, we see that a person who has realized the purpose of creation **assumes a divine value, comparable to God.**

The accomplishment of the purpose of creation, must be absolute, unique and unchanging.

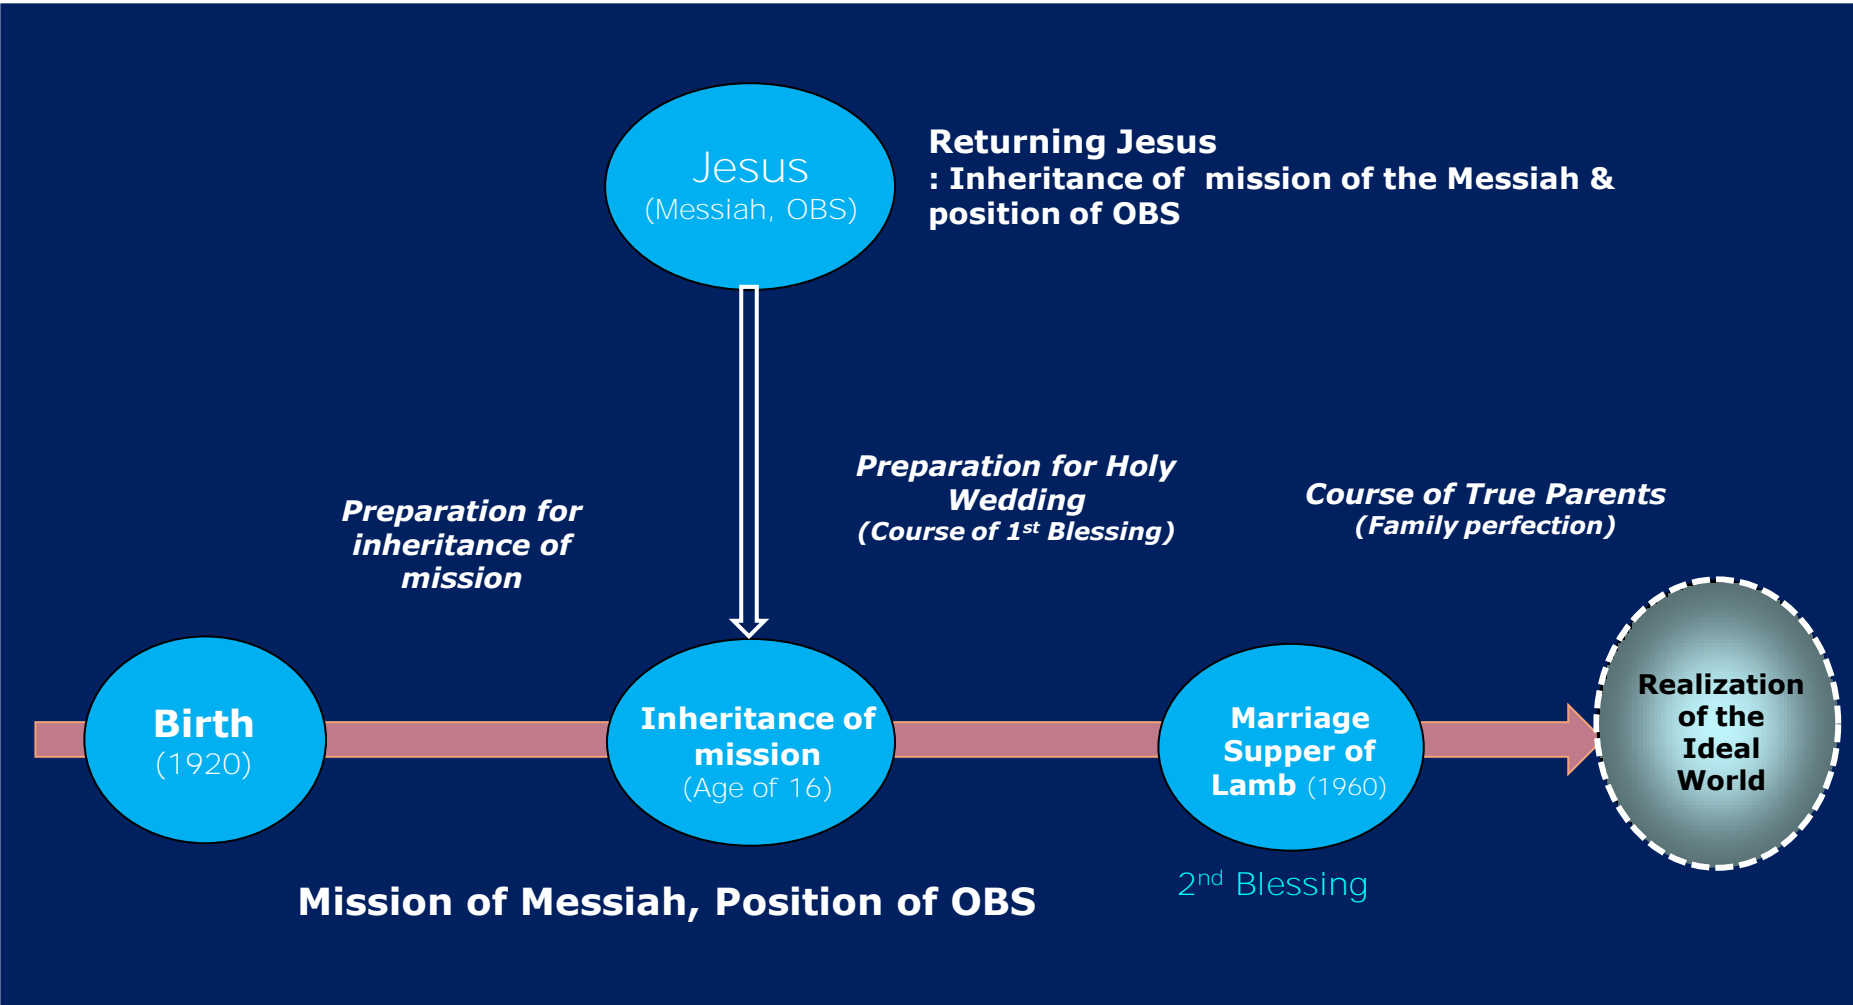

Exposition of the Divine Principle

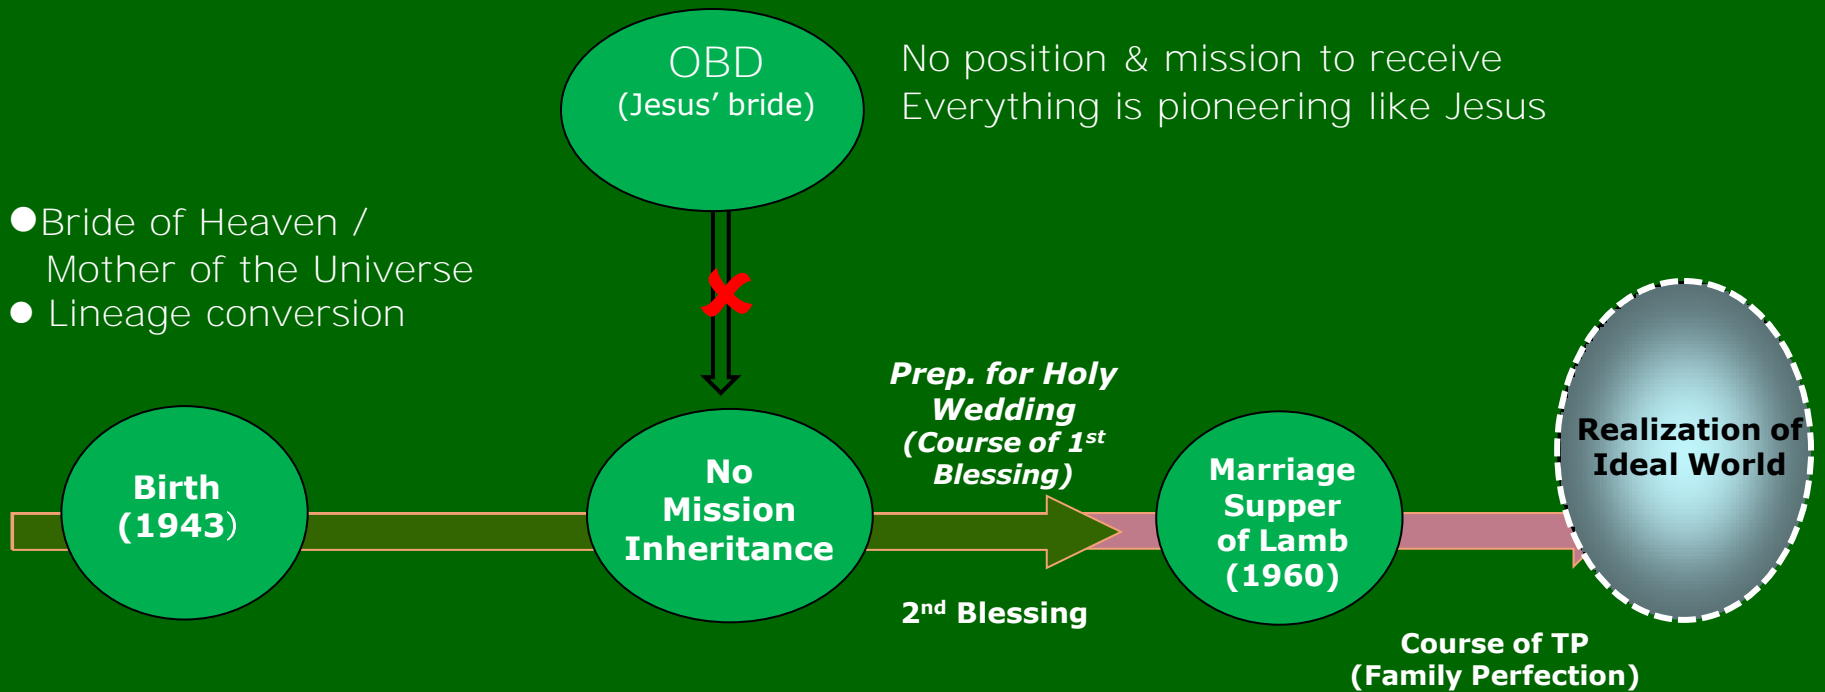

TP: Perfection of "OBS·OBD"

True Father as OBS: Overview

True Mother as OBD: Overview

Importance of True Mother

- ▶ Book of Genesis = story of the FIRST 2 people Adam & Eve
- ▶ Book of Revelations = the Alpha & Omega
= the Bride the Wife of the Lamb is coming,
= the marriage of the Lamb is expected (Rev 19:9/Rev 21:9)
(after the NTage)

WHY? Because the NT already produced the ideals of the only Begotten Son but no begotten daughter.

- ▶ **Therefore:** Completed Testament Age is the age of the wife (EDP 210),
the only Begotten Daughter, era of Mother and Queen
- ▶ *Our movement's ideal is to seek out tasks that men cannot perform, that is, tasks that can be performed only by women, so that we can join men in complementary in order to establish true families.* (1992.09.24, PHG p 927)

Bible Readings:

Rev 19:9

**Then the angel said to me, "Write this:
Blessed are those who are invited to
the wedding supper of the Lamb!"
And he added, "These are the true words of God."**

Rev 21:9

**One of the seven angels who had
the seven bowls full of the seven last plagues
came and said to me,
"Come, I will show you the bride, the wife of the Lamb."**

Revelation 21:1-3

**I saw "a new heaven and a new earth..
I saw the Holy City, the new Jerusalem,
*coming down out of heaven from God, prepared
as a bride beautifully dressed for her husband.***

Rev. 22:13-14

**I am the Alpha and the Omega,
the first and the last,
the beginning and the end.**

Importance of True Mother

- ▶ Therefore TM must appear during this time. As humankind has been trying to return to God , **the Bride must be established on the earth** (CBG 1:1:2-4, 1966.03.22)
- ▶ TF came as the LSA and Bridegroom and he said "**I have to find a Bride who is to become TM to begin anew.**" (CBG 6:2:1-24, 1985.12.29)
- ▶ Messiah comes with the authority of the Father to meet the person in the (PHG p1441, 2004.04.19)
- ▶ **The work of the HS is the work of the Mother** (CBG 6:2:1-18, 1999.08.29)
- ▶ Mother set the conditions to qualify as the Mother of three ages. (1999.06.26)

Importance of True Mother

In the Bible we read, “‘Look,’ says the Teacher, ‘this is what I have discovered: Adding one thing to another to discover the scheme of things—while I was still searching but not finding—I found one upright man among a thousand, but not one upright woman among them all.’” (Eccl 7:27-28) God has a two-thousand-year history of searching for the bride. Jesus appeared in the form of a true son, but since no form of a true daughter existed, he could not accomplish God’s will. Because of that, Christianity’s two-thousand-year history is one of searching for the daughter. The Holy Spirit came as God’s daughter. The marriage supper of the Lamb is that day that liberates God. (Cham Bumo Gyeong, Book 1, Chapter 2, Section 1, Paragraph 7)

What does the Bible say?

John 14:26

But the Advocate, the **Holy Spirit**,
whom the Father will send in my name,
will teach you all things and will remind you
of everything I have said to you.

Mark 3:29

but whoever blasphemes against the **Holy Spirit**
will never be forgiven;
they are guilty of an eternal sin.”

The Meaning of the “Coronation for the NEW Authority and Liberation of God, the King of Kings”

The “Coronation Ceremony of God’s Kingship” was held on January 13, 2001.
It means that God could stand in the original position.

The True Parents’ Entrance Ceremony to Cheon Jeong Gung on June 13, 2006 means that God, **the vertical True Parent, settled down to the earth** for the first time in human history.

“Coronation for the Authority & Liberation of God, the King of Kings”

was held 3 times:

**January 15, 2009 (Formation Stage),
January 31, 2009 in Korea (Growth Stage),
January 31, 2009 in New York (Completion Stage).**

It means that **God’s authority of Totality, Generality, Full Power, and Omnipotence was liberated, and now there is no accusation from Satan.** God can freely exercise everything. Then, after the Coronation, **TPs came to become God’s body and freely exercise God’s authority as His body.** Therefore, the Coronation corresponds to the **starting point that God and True Parents govern heaven and earth.**

The Meaning of the "Coronation for the NEW Authority and Liberation of God, the King of Kings"

God must manifest substantially as the King of Kings who reigns over the world of physical phenomena, the sphere of the objects of God's love. That is why, motivated by true love, God sought and found the True Parent of the substantial, physical world, who become His representatives and heir.

Although we are overwhelmed by the grace of having received Heaven's seal, my wife and I truly feel joy at being able to stand here today as God's direct representatives and hold this coronation for the King of Kings and our golden anniversary celebration.

True Father's words about True Parents

1. **The Word I am proclaiming to you today is the ultimate conclusion and fulfillment of all aspects of the providence of restoration during the lifetime of the True Parents**, and I need you to know that this speaking tour is to fulfill this course. The path that True Parents have walked is the exemplary historic tradition and, therefore, is a path upon which you should model your life. I am proclaiming that you should become families that practice and pledge to inherit and fulfill the Will of God, which True Parents have already accomplished.

2. On March 16, 2011 we celebrated our fifty-second Holy Wedding anniversary. **On that occasion, I brought to a close the Era before the Coming of Heaven, which was characterized by sin and indemnity, and proclaimed the Era after the Coming of Heaven, through which a new heaven and a new earth will be realized by returning to true love.** Please engrave in your heart that life in the Era after the Coming of Heaven will open up through this tour. **All blessed children in heaven and on earth, who are the blood lineage of True Parents, have to know in their hearts that this is the entire, final proclamation in order to complete the ideal nation of the invisible God, the visible God, the God of Night, the God of Day, the ancestors of Jesus and the ancestors of True Parents.**

CSG 13:4.1-2

Ladies and gentlemen, last year in Las Vegas, the True Parents of Heaven, Earth and Humankind made a special proclamation centered on God on two separate days. One part was given in the year 2010 at 2:20 a.m. on the eighth day of the fifth month of the heavenly calendar (June 19), and the other at 3:25 a.m., on the fifteenth day of the fifth month of the heavenly calendar (June 26 solar).

The number three from 3:25 a.m. represents the saying, "third time's the charm" applied to three eras. It also symbolizes the Old, New and Completed Testament ages. Twenty-five minutes, the number twenty-five, is a fourth of one hundred. **The True Parents have achieved ultimate unity and offered and proclaimed the era of God's full transcendence, full immanence, full authority and omnipotence upon the standard of perfection, completion and conclusion.**

CSG 13.4.3.1

True Parents are United

2) The Proclamation of the Completion of the Providence of Salvation – True Parents' Ultimate Unity **CBG Bk 1 Ch 2 Sec 5 par 31**

True Parents proclaimed, in the city of Las Vegas, on 5.8 by the heavenly calendar (June 19) in 2010 at 2:20 a.m. and on 5.15 (**June 26**) at 3:25 a.m., the age of God's full transcendence, full immanence, absolute authority and omnipotence, and the conclusion, completion and perfection of the Old Testament Age, New Testament Age and Completed Testament Age on the basis of the personages of husband and wife accomplishing the ultimate unity horizontally and accomplishing one heart, one body, one thought, one core and one harmony vertically with our Heavenly Parent. They also stated on 11.17 (December 11) 2011, at Cheon Jeong Gung, "We declare the ultimate victory and perfection, conclusion, and completion of the providence amidst all the creation of heaven and earth coming into alignment with the focal point and Lord of Creation, our Heavenly Parent, and establishing and finding the standard of the original creation" and proclaimed, "We have fully accomplished everything."

True Parents are United

- ▶ We are completely united as one body (2012 Feb 29)
- ▶ The harmonious unification of Heaven and earth comes when two entities cooperate together (둘이 협력해서 하늘 땅이 화합 통일야). *There can't be the unification when they are separate.* They should harmoniously interact (화통이야 / 和通이야). (2012 Mar 4)
- ▶ *Perfection of oneness* : **"We offer and declare the age in which the ultimate realm of oneness between True Father and True Mother is perfected and consummated**, and the age in which God is all-immanent, all-transcendent, all-powerful and all-capable." (CBG 1-2-4 31, 2010.07.01)

Declaration of the Firm settlement of TPs of HEH

"In the name of True Parents, we declare that this is the moment when True Parents and the Heavenly True Parents of Heaven, Earth and Humankind (참부모와 하늘 천, 천지인참부모) have a ceremony of the perfect and firm settlement. (Aju!) Restoring one, two, three and four, this will be eternally succeeded through the tradition of the Four Position Foundation. (Aju!). True Parents and all the participants who are standing here today know that we, eternally attending Heavenly Father, are entering the four dimensional world (4 차원세계) centering on the first, second, third and the fourth ancestors by fulfilling 4 % of the portion of responsibility together with True Parents, and so this can't help but take place. Aju! May Heavenly Father be eternal! We shall prosper for millions of generations and eternally. Aju!" **June 5 2012 LV**

True Father's words about True Mother

- ▶ For me to go to the heavenly kingdom, both of us have to go together, and the children will have to follow after us. (CBG 12-4-1 1, 1992.04.13)
- ▶ The foundation of unity of my heart and Mother's bring together all the things in the world that are divided. **Because Mother was completely united with me in everything I did, I gained these victories and they were also Mother's victories.** (July 9 1992)
- ▶ You have to say, "There is our Mother! She is the same as Father!" I have been the right side of God, but **now I have set up Mother as the left side of God.** (2003.08.08)
- ▶ **God will give me an award. When He does, I will pass that award to Mother.** (CBG 13:1-2-13, 2003.12.23)

True Father's words about True Mother

- ▶ I am the first founder of the Unification Church and Mother is the second founder. If Mother alone should visit one of the Unification Churches around the world, no one can say, "Why did Mother come alone? Where is Father?" Because Mother, **all by herself**, represents and is the founder of the church. If I had to proceed alone from here, God's dispensation would go forward. If Mother had to proceed alone, the same is true. God's dispensation will be consummated! The outside world is asking "Who is going to be his **successor?**" But I tell them there is no need to worry because Mrs. Moon, our **True Mother**, is only 47 years old! And after us there are the true children to carry on God's Providence. (1990 March 27)
- ▶ **"If I ascend to the spirit world, Mother can take over my role."** January 2, 2006

True Father's words about True Mother

You have heard 'Heavenly Father,' but have you heard 'Heavenly Mother'?
Without heavenly father and mother, there can't be sons and daughters.
(Aug. 2008)

The responsible person of the Unification church is not Hyung Jin nor Kook Jin.
On the top of Hyung Jin there is Mother, and on the top of her,
there is Father. Do you understand? Do not forget this.
An order starts from one. (2011 4th April)

Abel's position should occupy everything centering on Mother.

True love is the thing that God likes the most. It is the love that the
Messiah likes. Who is Messiah? Father and Mother. (Nov.3.1991)

When the only begotten son comes, it would be a disaster if he were to live
alone. There has to be an only begotten daughter. The only begotten daughter
must be found. Women stand in the position of being the extension of the
True Mother, the Perfected Eve. (July 6th 1992)

True Father's words about True Mother

There is only one couple of True Parents in heaven and on earth:
There is only one root and trunk from which all branches and leaves
come out. There can only be one pair of True Parents.
They are the True Parents of Heaven, Earth and Humankind. (2012)

We must become as one body with our Parents. This is the commandment
of children; to believe absolutely in what Father and Mother are doing"
(27th Nov. 1994)

**You must go through Father and Mother and inherit their life to be
able to go to Heaven."** (1993)

Until now I did all the talking and Mother has been quiet. Now you can
complain to me, why do I not let Mother speak. Until now she has been
following like a shadow. But now the time has changed.
Now is the time for you to attend Mother. 1991.11.03

God's Liberation

- Through the victory of TM in her 7 yr course after the Holy Marriage in 1960, God's day could be proclaimed. *"When, for the first time in history, God and man could believe in a woman 100 % , God's Day could be established. That was January 1, 1968... Mother and I could obtain God's seal as a perfected family, and we could take our rightful position on the earth."* (GWW pp. 577-8, May 1, 1981)
- Through the victory of TM in her 7 yr course after the proclamation of TPs & the CTA (1993-1999) , *Satan surrendered in March 21 1999 and TPs could claim the position as the Cosmic TP of Heaven & Earth in June 14 1999.* They prepared the conditions necessary for the Coronation Ceremony of God's Kingship in Jan 13 2001 and opening the gate of CIG

Liberation of Humanity

- Blessing is our salvation! It is humanity's rebirth : Without the appearance of TM, **TF alone couldn't give the blessing to humanity**
- From the time of the Fall, humanity became orphan, but the appearance of TPs liberated us from this position
- "God sent the Messiah not as a man, but as a man and a woman for the liberation of man." 1991.11.03
- **True Parents means the True Father and the True Mother.** 2007.04.25
- Through the 3 celebration of TPs 50th Golden Wedding Anniversaries (2010-2012) Foundation Day Blessing could occur on the earth bringing all Blessed Families to the Direct Dominion of God in the position of Direct Children of our Heavenly Parent

Nation – Inheritance

The children's unity with their Parents must work to bring about the unification of the nation. Until that time, there will be no inheritance made to 2nd generation. Only when the nation emerges, can True Parents pass the inheritance to the children.

The Model of God's Kingdom
and the ROLE of the Holy Spirit

Fulfillment of the 3rd Blessing

True Parents' Status/Value

Mission of the Holy Spirit

- ▶ **Internal Oneness with Christ** Paul describes the internal work of the Holy Spirit that is to **bind Christians with Christ.** (Rom. 8: 15-17). The Holy Spirit brings Christians into a parent-child relationship with God.
- ▶ **Clarify the meaning of Jesus' words for the church** One of the names that Jesus gave to the Holy Spirit was the "spirit of truth" and prophesied to his disciples that it "**will guide you into all truth**" (John 16:12). Thus, "The Holy Spirit... **will teach you all things,** and bring to your remembrance all that I have said to you" (John 14:26). Bible were compiled since then
- ▶ **Establish new ordinances** It is now revealed to his apostles & prophets by the Spirit; that the Gentiles should be fellow heirs, and of the same body, and partakers of his promise in Christ by the gospel. (Eph. 3:5-6) **(to resolve the division within Gentiles & Jews and establish Christianity centered on Christ with the new system to build the KOH)**
- ▶ **Raise up new leaders** After the crucifixion, the Holy Spirit raised up a new generation of leadership beyond the original 12 disciples. This began with Stephen, whom the Holy Spirit filled with grace and power (Acts 6: 4) and Paul, whose blinded eyes the Holy Spirit opened (Acts 9: 17-18). Then the Holy Spirit expanded the ranks of Christian leaders by falling upon numerous Gentiles, beginning with the conversion of the centurion Cornelius (35-40 A.D.)
- ▶ **Promote evangelism to establish a church centered on Christ** The Book of Acts reports that when the Holy Spirit descended upon the disciples, **it inaugurated an era of explosive evangelism,** with more than 5,000 people receiving Christ in the days following Pentecost. Believers spoke in tongues and miracles happened every day and this brought about Christianity the new religion.

Works of True Mother as the Holy Spirit

- ▶ **Internal Oneness with True Father** - this is thru the **HYO JEONG (Filial heart towards True Parents)**. There is only ONE CENTER of our life – True Parents of Heaven Earth & Humankind and to live a life of absolute faith – love – obedience.
- ▶ **Compiled True Father's words in a precious treasure form** - this brought about the **3 Holy Scriptures and proclaim the words of the Holy Spirit as the only begotten daughter**
- ▶ **Establish the system of the KOH** – this is proven true by True Mother establishing heavenly order, **creating the CIG constitution**, arranged the **organization into proper set-up**, commissioning right people in every area of responsibility and **strategically move to realize HP & TPs dream**
- ▶ **Raise up new leaders** Preparing step by step all our **2nd generation into frontline mission and lead the future world**
- ▶ **Promote evangelism to establish a model ground the Mecca of our faith centered on True Parents**
 - This is the vision of **Hyo Jeong Cheon Won – the Heavenly Garden of Heart**
