

STF EUROPE | NEWSLETTER OCT 2013

Dear Parents and Friends,

After two weeks of fundraising, all of the STF members arrived back in Schmiten for the 2nd kickoff workshop which was from the 11th to 14th of October. The motto of the workshop was 'Open the Eyes of My Heart' which will allow the members to have deeper experiences in fundraising. Dale Rose's lectures were focused on our identity as God's children, gratitude and God's heart. Samuel Read who did three years of STF came to support the workshop as MC and gave a testimonial talk to the members. David Perry and Seija Kuenzig also came to support the workshop as parental figures. This time we went to the local Catholic Church to pray and report to Heavenly Parents about our goals and determination for the next condition.

2nd KICKOFF | WORKSHOP REFELCTIONS

“OPEN THE EYES OF MY HEART”

“During the workshop I really could learn all about the deeper meanings behind fundraising and the STF program as a whole. I could learn about how much potential I have to grow and develop as a person and daughter of God. ”

Corina Pollitt

“Through this workshop I started to reflect about my life and really learnt that it is important that we do not blame ourselves but try to forgive ourselves. I learnt that being grateful for the life we have is key, the smallest things that we struggle about is nothing compared to God’s suffering.”

Saga Isacson

“I could gain a lot in this workshop. A lot of knowledge. But I more importantly could gain strength and determination to give it my all in this condition, find clearer what I want to gain out of STF, what I need to focus on, the right attitude.”

Amelia Warren

“During this workshop, I learned to be thankful for what I have and that I must travel the road that is least traveled in order to challenge myself to the furthest extent.”

Andrew Jeong

Under the motto, 'Open the Eyes of My Heart' all the STF members with their new teams departed for the first fundraising condition for one month until the 15th of November. Out of five teams, three went to Switzerland and two teams went to Belgium. I ask for your thoughts and prayers for our brothers' and sisters' safety and success.
