

Tongil Group Founders' Ideology Deep Training for Executives and Employees

Yun Ki Choi
June 8, 2017

On June 8, a 2-night 3-day Founders' Ideology Deep Training for executives was held at the Heaven and Earth Chung Pyung Training Center Chinhwa building B, overlooking the picturesque and natural scenery of Chung Pyung Lake. A total of 52 people attended the meeting, including President of the Family Federation for World Peace and Unification-Korea, Kyeung-Seuk Ryu, Chairman of the Tongil Group Yun-Gi Choi, General Secretary of the Tongil Group Sun-Pyo Hong and the chairmen of 11 affiliated companies, as well as executives of the Tongil Group.

The Founders' Ideology Deep Training was prepared for the executives and employees of Tongil Group to join together as a pivotal role for the victory of Tongil Group's VISION 2020, and to directly experience the Family Federation activities held throughout the world through the overseas training. This training was held with 12 lectures on the Founders' Ideology, two special lecture and watching videos.

The Opening Ceremony was held in the order of the opening pledge, kyeongbae (bowing), singing of the Cheon Il Guk national anthem, reading of the Family Pledge, prayer by Pastor Chan-Ho Kim, encouragement remarks by Chairman Yun-Gi Choi and a speech given by Kyeung-Seuk Ryu.

Chairman Yun-Gi Choi said, "Representative directors on the front line of management have come to this place to understand and communicate the ideology and principles of the Founder, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon. It is our goal to establish God's blessed world, and we are at that stage." He emphasized the significance and purpose of this deep retreat.

In the opening ceremony, President of Family Federation for World Peace and Unification-Korea, Kyeong-Seuk Ryu, said, "In the reality that Korea's crisis is now clearly visible, the Family Federation is acting not only as a religious movement, but also as a community that takes responsibility for the future of this nation for the future of Korea. Many local media have already focused on and are interested in the activities of the Family Federation. We will continue to lead the hopeful future of the Republic of Korea by overcoming the crisis as a national religion based on the ideology of the Founder, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon." He also urged for all to become a mature religion that binds people's hearts into one, and to bring victory to True Parents by 2020.

The participants watched a documentary called "International Association for Parliamentarian for Peace hold flag of Peace," which was shown on MBCNET, showing the prayer for the realization of world peace by the Founders, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon.

Later, a lecture was given by Do-Sun Park on the Founders' ideology and also a special lecture given by General Manager, Sung-II Cho, on "The recent world activity of Dr. Hak Ja Han Moon." Everyone was speechless about Rev. Sun Myung Moon and Dr. Hak Ja Han Moon's world-wide victory and life experiences.

On the second day, Do-Sun Park gave a follow-up lecture on the Founders' ideology given the day before, followed by Pastor Chan-Ho Kim and Regional Pastor Seung-II Lee.

The Director of the World Headquarters Jin-Heun Yong, gave a newly-established explanation of the providential background readjusted by the World Headquarters about Founder, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon's life course, Rev. Sun Myung Moon and Dr. Hak Ja Han Moon as the Messiah, the Second Advent, True Parents, the only-begotten Son and only-begotten Daughter.

On the morning of the last day, the executives climbed to the top of holy grounds and watched the scenery of Chung Pyung and Chung Pyung Lake, as they reminisced on the meaning of Rev. Moon's life course, and prayed for the blessings to be bestowed upon every family. After that, the closing ceremony was held after Regional Pastor Seung-II Lee finished the lector on the Founders' ideology.

During the closing ceremony, a 2-night, 3-day training certificate was awarded, an introductory video on the HJ Cheonwon development was shown and the workshop concluded with Secretary General, Sun-Pyo Hong's speech.
