Pastor’s Weekly Greeting

Dear Brothers & Sisters,

Greetings!

I don’t yet have a full report from the events and meetings that took place in Korea, but here is an excerpt from True Mother’s message to our international leaders. (I encourage you to go to Familyfed.org where you can read her entire speech) I think it is important, because it makes it clear who is presently in the central position in our movement

“In order to have a proper organization the center must be established. So, henceforth, all the major events that take place twice a year will be hosted by the FFWPU International headquarters’ team. For this reason, the FFWPU International President will be Sun Jin Moon. I appoint Sun Jin Moon as our International President.

Next to her she needs her husband, that’s why I appoint In Sup Park as the FFWPU International Vice President. More than anybody else they represent the True Family and they have selflessly followed True Parents’ tradition, showing you the example. Together with you, they will move us toward the fulfillment of Vision 2020 and they will build together with you the eternal Kingdom of Cheon Il Guk and build a foundation for the eternal king of kings, the True Parents of all seven billion people of this world. I hope you will help them wholeheartedly.

I made several internal personnel changes as well. Now, centering on the International President, the director general of FFWPU International Headquarters will be Man Ho Kim and through Man Ho Kim I will give all my directions. I will get rid of unnecessary man power and time. How can we all become one and like an arrow really reach the hearts of all the 7 billion people around the world? I really hope that you will work

as hard as possible for the sake of creating one united world. I made these decisions with that wish in mind."

Let's work together with True Mother, with our American leadership, and with our local representatives to create that unified world

Finally, don't forget, we will be hosting a 3 week national witnessing event here in New York, (May 3-24). Please mark your calendars, and let's prepare ourselves with prayer – for an exciting, heart uplifting, spiritual world supporting, life transforming experience! I will let you know the details in the coming weeks.

God Bless You
Andy Compton

Humor for the Week

Getting Older

"I must be getting old. I'm starting to talk to myself."

"We all do, Ralph."

"Well, I find it annoying."

"Why is it annoying?"

"Because I'm also losing my hearing and I have to repeat everything!"
