

Happy
NEW YEAR!

2016

“Once the True Parents appear, the purpose of a true person can be fulfilled and a true family established. The title True Parents can be praised eternally – from the past, to the present and into the future. The fact that True Parents have appeared on earth, that they are here, is the most joyful gospel of all gospels.”

Dear European Brothers and Sisters,

On the occasion of the dawning of 2016, I want to send warmest good wishes to you and your family. The year 2015 has been historic for our European family, graced by the visit of True Mother and other members of the True Family.

Renee and I would like to thank you for your faith and devotion over the past year and pray that 2016 will be a bright and happy year for you and your family in which you may experience the profound love of our Heavenly Parent and True Parents.

It has been an honour and privilege to serve as your Continental Director for the past six months, and I look forward to working with you in the coming year.

Sincerely,

Jack and Renee Corley
Continental Director,
