

57<sup>TH</sup> TRUE CHILDREN'S DAY  
&  
29<sup>TH</sup> FOUNDATION DAY  
FOR THE UNIFIED NATION  
OF HEAVEN AND EARTH

**W**e need to understand God's heart in history, always wanting to say to us, "I want to talk to you; I want to work with you." God does not forget us; He waits for us. So, we have to think to ourselves, "God, when can I participate in Your providence of restoration?" We must find the way to think like God, speak like God and act like God.

Dear Brothers and Sisters,

As we celebrate the 57th True Children's Day and the 29th Foundation Day for the Unified Nation of Heaven and Earth, I want to wish you and your family the abundant blessings of our Heavenly Parent and True Parents. In this time of Special Grace, I pray that you can feel the substantial love that comes with the grace and forgiveness which are being bestowed on us. Let us work together to return joy and gratitude to our loving Heavenly Parent and True Parents.

Sincerely,

Jack and Renee Corley  
Continental Director
