Dear Brothers and Sisters,

Thank you for your prayers and devotion as we continue to keep our True Father in our hearts. We also send all of our love and support to our True Mother, who is at Father's side at this time, as she has been throughout her entire life.

Our Senior Pastor, Rev. In Jin Moon, has just returned from Korea where she, along with her family, was at our Father's side this past week, totally supporting True Mother. Mother asked In Jin Nim to return to America and to tour the nation right away, bringing the news of our True Father and comfort to all of our families. As we have heard, Mother is asking us all to remain in prayer, but to be strong and to continue to work even harder to accomplish God's will. She said, "For us, there is no stopping!"

As soon as she returned, In Jin Nim requested that we work with the District Pastors to set up a national tour. This is a wonderful opportunity for all of our families to hear our Senior Pastor in person and to show her all of the great development of Lovin' Life Ministries. As we celebrate the fourth anniversary of True Parents' appointment of In Jin Nim as President and CEO of HSA-UWC in America, we are reminded of her groundbreaking Listening Tour that began nearly four years ago. We have come a long way since then under her leadership and with absolute unity with our True Parents.

The tour schedule is as follows:

Tuesday, August 21: New York  
Wednesday, August 22: Los Angeles  
Thursday, August 23: San Francisco Bay Area  
Friday, August 24: Seattle

Monday, August 27: Boston  
Tuesday, August 28: Washington, D.C.  
Wednesday, August 29: Chicago  
Thursday, August 30: Miami

We warmly invite all of our families to make every effort to attend and to hear our Senior Pastor in person. I know how much she is looking forward to sharing with each and every one of you. She truly is bringing the heart of our True Mother to all of America.

Looking forward to seeing you again!
