Today's News about True Father

Joshua Cotter
August 31, 2012

Dear Brothers and Sisters,

May the love and blessings of our Heavenly Parent and our True Parents be with you and your families.

Following is an important message received today from the World Mission Headquarters in Korea. Please share it with your families.

The eight-city "We Love True Parents" tour was completed in Miami last night. Our Senior Pastor, Rev. In Jin Moon, shared words of comfort to over 5,000 brothers and sisters and expressed the importance of absolute unity with our True Mother during this critical time. A transcript and video of her tour message will be available through our website soon.

Let us continue to offer our sincere prayers and jeonseong for our True Father.

Sincerely,

Rev. Joshua Cotter
