On Saturday, January 23, Pastor Haruki Kimura of the Atlanta Family Church hosted a Pastors Forum. The keynote speaker was Rev. Dr. Sinclair Grey, who spoke about God's ideal of creation and the three great Blessings. A young adult from the Atlanta Family Church, Miambi Koko, gave a C.L.U.E. (Creating Love and Uplifting Esteem) presentation. She emphasized the importance of waiting until marriage to have intimate relationships. The C.L.U.E. curriculum is an abstinence-based character education program.

On Monday, February 1, Pastor Mark Abernathy and First Lady Edna Abernathy hosted an ACLC Pastors Forum in their fellowship hall at the Connect Point Christian Center in Snellville, Georgia. Among those attending were State Senator Donzella J. James, Rev. Aaron B. Lackey, the head of his denomination, and several members of the "172-clergy," and even five new guests. The group read together True Father's speech entitled "The True Family Movement to Save Humanity," which explains how Heaven prepared a lineage to bring forth God's only begotten son, and the importance of the Marriage Blessing to change the fallen blood lineage.
