

World CARP Project in Kaboshima, Japan 2017

Mieko Davies
March 10, 2017

We are making a world CARP project in Japan again. Kyushu CARP (south of Japan) requested for us to come and teach English to Japanese school children who were affected by the earthquake last year. The CARP members are teaching other subjects to them. They are looking forward to learning English from us.

This year 2 groups

1st group

20/06: latest arrival in Tokyo

20/06 -26/06: join LA CARP (120 CARP members) in Tokyo*Attachment -The information about schedule and content
