Invitation to FAMICON 2017 Leadership Conference

Ki Hoon Kim and Michael Balcomb
March 2, 2017

Dear Family,

On behalf of our national ministry team, we would like to invite and encourage you to attend FAMICON 2017, our upcoming FFWPU USA Annual Ministry Conference at IPEC in Las Vegas from Monday April 3 (arrivals by 2pm) through Thursday, April 6 (departures after 3pm.)

This year our main focus will be on Blessing and Tribal Messiahship, and we will hear inspiring testimonies and case studies from the two families who received a recent award from True Parents, and from ACLC pastors who have already blessed many couples in their own congregations. We will also be exploring the new “Three Ministries” structure developed by True Mother, with presentations from the Youth, Students and Young Adult Ministry, Blessing and Family Ministry, and the Evangelism / Witnessing Ministry. A third topic will be to explore the road map to “national restoration” as emphasized during our recent Cheon Il Guk leaders’ meetings in Korea.

There’ll be plenty of time for networking, discussion, questions and group work, as well as breakout sessions that allow you to focus on the area where you feel most called to contribute. Please note that participants will be given important “homework” to complete both before and after the conference, so that we can make our actual time together the most productive. But don’t worry, we will also have time for some outdoors and indoors fun together!

Registration is available online here. Once you have received your confirmation email, you can proceed to book air travel. For those interested in attending the High Noon Summit, which begins the following day on April 7, arrangements can be made for a continuous stay, but please register separately for that conference.

See you in Las Vegas!

Dr. Ki Hoon Kim
Continental Director

Dr. Michael Balcomb
President
