

Blessed Family Ministry 2018 Year in Review: Highlights, Growth, and More!

Crescentia DeGoede
January 3, 2019

Looking back

2018 was a year of connection.

Our #1 priority in 2018 was to improve our communication and relationship with our members. We invested heavily in reaching more people, and we're happy to report the results of our efforts.

We hope that your family was touched in some way this past year, and we look forward to continuing to support and serve!

We brought enrichment to more people
