

## Clifton, NJ Family Church E-News: Letter From Our Pastor

Crescentia DeGoede

December 6, 2019

### Letter From Our Pastor

**DEAR BROTHERS and SISTERS,**

As this is my first time addressing you in a letter since becoming your District and Clifton Family Church Pastor, I just want to take a moment to express how humbled and grateful I am to be serving you in this role. Thank you for trusting me with the leadership and care of our district and community. I hope that together we can continue to build up a beautiful spirit and connection throughout our district and community centered on our Heavenly Parent and True Parents.

With True Mother coming to Newark, NJ in just three short weeks, for the rally on December 28th at the Prudential Center, we are part of an exciting moment in Providential History! An event of this magnitude, in which clergy and religious people of all faiths and denominations will be coming together from all over the world; America and the Northeast to receive a message of peace from our True Mother has never occurred before and will not take place quite like this again. Incredibly, God has chosen our district and state to be the hosts of this historic event. God must love and trust us very much.

It is my heartfelt wish that every Blessed Family member throughout our district can participate in and contribute to the success of this historic event. God is pouring out blessings and I hope everyone can receive and share them. If you haven't done so already, be sure to reserve your seat and your family members' seats at the rally by registering online. Only those who register online or by voucher will receive a ticket.

Additionally, please consider giving a donation towards the National Victory Fund, which is directly supporting True Mother's work in America at this time, and all the efforts being made by brothers and sisters nationwide to claim America as God's Heavenly nation. Also, please consider opening up your home to brothers and sisters who will be coming in from out of state to support the mobilization for and, or participate in the rally. You can select how many and for how long you are able to host guests in your home leading up to or at the time of the rally. Your support in either of these two ways directly supports the Providence and is greatly appreciated.

May God bless you abundantly in this coming week!

Sincerely,  
Pastor Crescentia
