A Birthday Gift for True Parents

The year 2020 marks 100 years since True Father was born in Jeongju in what is now part of North Korea. What were the sounds surrounding his birth? What was the atmosphere and environment at the time of our True Father's first cry? It's appropriate that we draw our minds back to reflect on that time, when only Heaven was fully aware of what was taking place.

As Heaven prepared for the birth of his son, similar preparation was made for the birth of his daughter, and so in 1943, our True Mother, was born in Anju, also in the northern part of Korea.

Then in 1960, Heaven was able to bring another miracle, when God's only begotten son and only begotten daughter were blessed in marriage. Throughout the entire human history, this was the very first time that a wedding could be officiated by our Heavenly Parent.

These are the major events that we are celebrating this coming February 2020. But we are not just celebrating these events with a ceremony, we are celebrating with incredible results. Worldwide results thanks to the incredible investment of our precious True Father and True Mother. Thank you, True Parents!!!

To consider how much we have received, and how much humanity has received from our True Parents, is truly awe inspiring. Let us humble our minds and be ready to offer ourselves for this incredible upcoming milestone in history.

As part of a world level condition, blessed families and members worldwide are asked to offer a special donation for True Parents' Birthday of \$1000 per family and \$210 per individual. There will be commemorative gifts presented. Those who offer \$10,000 or more, will receive a commemorative gold medal, and those who offer \$1000 or more will receive a silver medal.

Let us offer our utmost best as we welcome True Mother in America this December so Heavenly Parent and True Parents can accept this offering and claim complete victory.
