Letter from Our Pastor

Dear Families,

Last week we commemorated the 8th anniversary of our beloved True Father's Holy Ascension. Thank you all for participating in honoring the life and legacy of our True Father. Though we miss him, it's inspiring to see the incredible fruits of his lifetime of investment, so beautifully showcased and built on by our beloved True Mother.

In her commemorative address, True Mother gave a strong message calling us all to action. She expressed that, *"While I am still living on earth, all blessed families around the world should actively work and strive to expand the environment True Parents have created so that they can teach others that, 'From the outset, God the Creator has been our Parent, and His dream is to realize the Kingdom of Heaven on earth and live here together with us.' The only way to solve all the difficult problems arising in our world is to follow the path of True Parents' will from within the Heavenly Parent's Holy Community."*

What can we do to address the problems of this world, in our community, in our families? Work with True Mother to guide all people to deepen their relationship with God as their Heavenly Parent, and live in oneness with God and each other. It may be a big goal, but it's one worth striving for. Let's have no regrets, and live the kind of lives that we can be proud of in front of Heaven.

There are lots of spiritually nourishing and relationship building programs for all ages happening over the next week that I hope you can benefit from. See below for more info.

May you have a blessed week!

Sincerely,
Pastor Crescentia

Today we honor families that lost their loved ones. Let's remember the innocents, and pray for their families.
