### Letter from Our Pastor

Dear Brothers and Sisters,

I hope this letter finds you happy, healthy and feeling God's love.

With making preparations to celebrate our CheonBo inductees next week, as well as, preparations to honor the [incredible life of our sister Rev. Kathaleen Sato](#), I'm overwhelmed with a sense of awe for lives lived in the pursuit of God's ideal, bravely following our True Parents and responding to their call, making many sacrifices along the way. In this community we have amazing people bringing more love and blessing to this world.

I am very proud of the 47 families in our District that will be among the first families inducted into the CheonBo Won. This award honors their lifetime of investment to bring an offering to God and True Parents that supports the substantiation of God's Kingdom on this Earth. Let's all join together in celebrating, lifting up and being encouraged by the offering these amazing brothers and sisters have made. Their victory is our victory.

Tuesday night's TribeNet Call will be dedicated to this, and we're all invited to take part in the celebration. The next opportunity will come Friday during the CheonBo Festival. That evening at 1am we will also host a Blessing Ceremony for 6 new couples who are currently preparing to receive the Blessing. Let's pray for a beautiful start to their Blessed marriages.

I'm also excited to announce that in response to the desire of our community to safely come together in person, we will be hosting a Saturday Outdoor Gathering at Rifle Camp park on October 17th with fellowship, music and inspiring messages. All are welcome! See below for more info.

Lastly, in their most recent letter below, our national presidential couple, Rev. and Mrs. Dunkley share some helpful insights about how to support God's Will for our nation as we prepare to elect our next President.

Wishing you a blessed week, full of love and joy!

Sincerely,  
Pastor Crescentia

### Letter from the President

FOR A HEAVENLY USA

**We are Chosen to Guide this Nation**

Where is God's Will to be found during this political season? It's easy for us to become fixated on a particular party view, platform, or candidate, so we have to remember that

God and True Parents are the center, not the President of the United States, and certainly not any particular party or political view. The president's responsibility is to attend our Heavenly Parent and True Parents. [Read More](#)
