Over 40 Unificationists got together at the Las Vegas Family Church for their True Children's Day prayer and festivities. Thanh Le emceed the event and Rev. Andrew Compton and Mrs. Lydia Compton gave a representative prayer. Rev. Ken Doo gave the Holy Day message and a closing prayer.

Several of those gathered sent in the following reflections:

*-Kimiyo Anceney*

*"I really appreciate that I was able to learn the historical background of the Foundation Day for the Unified Nation of Heaven and Earth. It was also a good chance to share about True Parents."*

*-Akira Watanabe*

*"It warmed my heart to come together as a family first thing in the morning, and to honor True Parents' traditions. I never knew about all of the Holy Days!"*

*-Jinil Fleischman*

*"Today's True Children's Day and Foundation Day celebrations, attended by local church members, was a joyous sharing of history, music and a beautiful offering table. Cake and conversation followed the service."*

*-James Oberg*

*"I felt the service was very embracing and the atmosphere was warm like that of a family. Even though our community is not large, and it was a busy weekday, many people made time to come and celebrate together."*
