Rev. Doo's member care expenses will be used within his monthly donation.

Member care specifically means buy fooding for members or taking them to a restaurant.

For instant, if his monthly donation is \$400, then he will not use members care expanse more than \$400.

Previously, some members and council members are concerned Rev. Doo is using members donation to take care of members. So, Rev. Doo decided not to use members' donation to care for members.

So, from now on members and the council do not need to worry about Rev. Doo using members' donation to care for other members

Member care specifically means buy fooding for members or taking them to a restaurant.
