

Letter to the Community

Hello Everyone,

We are excited to announce that we will be starting Youth and Young Adult Ministry in the Las Vegas Community. Youth Ministry will be available for middle school and high school students. Young Adult Ministry is for college age students and older. This will be a great way for the youth in the community to get to know each other and make new friends. During youth night and young adult night there will be fun activities as well as spiritual education and teachings.

We will also be starting Il Shim which is a 10-week program talking about abstinence before marriage and purity education. This program will be available for kids 12 years and older. There will also be a Blessing level 1 workshop for kids 16 -20 years old sometime this year.

We will have a meeting with parents on Sunday, March 10th. During the meeting we will explain more about each ministry and take any questions parent may have. During this time, the kids who are interested in attending a ministry will meet with the youth leaders so everyone can get to know each other.
