After the Peace Starts with Me event on June 22nd, the Las Vegas Christian ministers have gotten together on July 9th and arranged a second meeting, July 25th, to organize the American Clergy Leadership Conference (ACLC) Las Vegas chapter with the Christian Clergy.

The goal of the ACLC Las Vegas branch is to guide the True Family values through blessing in each Christian church in Las Vegas.

Therefore, through the spread of true family values, Las Vegas will lead the solution of family problems.

And it will be a road-map for newly married couples to create their ideal future family with true family value guidance.

I sincerely thank Rev. Mark Abernathy for organizing the meeting today.
