On July 13, 2019, Shine City Project returned to the corner of Tropicana and Wynn for a cleanup!

Although the day was expected to reach a high of over 100° F, the morning had already started out at around 80° F.

Braving the heat, we had five volunteers who helped out to pick up whatever trash they could find along Tropicana Avenue.

We had one volunteer, Andres, joining us for the first time!

At the end of one hour, our fearless five was able to fill nine bags of trash!
