August 4th Holy Marriage Blessing of Bishop Ron Thomas in his church in Las Vegas, Reconciliation Apostolic Ministries (RAM)

Bishop Ron Thomas had been one of 1,000 religious leaders who sat before True Mother at the clergy convocation June 21 and heard her say: "Beloved clergy members.... be the messiahs onto your churches!... The mission of a messiah is to save people.... And how can we save people? By giving people the Blessing. By promoting the true family movement."

Now, among those 1,000 religious leaders, this one righteous man, on his own accord, was doing exactly as Mother asked less than two months earlier.
