October 18, 2019

Here's a quick report of last Friday's Spanish DP lecture:

Lecture given: "The Second Coming", I put together a PowerPoint presentation from Professor Ricardo Ayerza in YouTube, "La Segunda Llegada" (The Second coming)

Emphasis was made on the key points of the Second Coming of the Lord, When, How, Where, supported by biblical verses as per Divine Principle teachings.

We had Lilly and her guest come over. They have been attending every Friday.

Jose and Martha blessed us with their presence, as well as Jose's Son and his wife and their daughter.

Martha brought her *Cheon Sseong Gyeong* in Spanish and gave spiritual guidance.

"Let True Parents Truth, God's Truth keep marching on"

Baltazar, as always left the Sanctuary ready with the setup.
