**\* Daily TPs' Hoon Dok Words \***

As a man, I restored the first and second sons. However, it is for Mother to restore the first and second daughters, centering on women. I carried out the historical battle to have Abel restore the realm of the elder son. I restored the positions of the sons and returned them to God. I finished my part of the work. Centering on the United States and the Soviet Union, the authority of the elder son has been restored. The time has come, therefore, for Mother to do her part in restoration. Thus, I am having Mother connect women from two providential nations, Korea and Japan. For this, I am bequeathing my victorious foundation to her in my mission as the Messiah so that she can create her own foundation of victory as Eve. (224-092, 1991.11.23)

Dear Family:

It's amazing to think that almost 100 years ago, in 1920, our True Father was born. What were the sounds surrounding his birth? What was the atmosphere and environment at the time of our True Father's first cry? It's appropriate that we draw our minds back to reflect on that time, in what is now North Korea, where only Heaven was fully aware of what was taking place.

40 years later, Heaven was able to bring another miracle, when God's only begotten son and only begotten daughter were blessed in marriage. There have been billions of weddings throughout human history, but this was the very first time in human history that a wedding could be officiated by our Heavenly Father.

It is these two major events that we are celebrating this coming February 2020. But we are not just celebrating these events with a ceremony, we are celebrating with incredible results. Worldwide results thanks to the incredible investment of our precious True Father and True Mother. Thank you, True Parents!!!

To consider how much we have received, and how much humanity has received from our True Parents, is truly awe inspiring. Let us humble our minds and be ready to offer ourselves for this incredible upcoming milestone in history.

Leading up to the celebration of True Father's Centenary and True Parents' Holy Wedding Anniversary, True Mother is continuing her world tour. This week she is going to Cambodia, and will oversee the Asia Pacific Summit. From there she will go to Africa and Central America, and culminating in Israel with the Clergy Rally for a Heavenly United World on September 28 to the 30th.

Therefore, True Parents asked all devotees to participate with our devotion and offer our hearts. Let us read True Parents' Holy Scriptures. And let us offer a devotion and members worldwide are asked to contribute \$210 per individual. This offering will receive commemorative gold coins.

We are asking all American devotees to contribute and offering. Please read the enclosed information about the 40-day period of devotion.

Let us offer our utmost best as you, our True Father and True Parents can appreciate it.

God bless you all.
