Dear all,

Mary Bidard has informed me of the efforts that our members in the DRC are making, to try and have 2nd Gen and University age youth attend the Top Gun workshop, and also the Blessing and True Father's Seung Hwa anniversary in Korea.

True Mother has offered partial support towards travel costs, and accommodation, etc, in Korea, but FFWPU in Congo is seeking financial help from all who are able to assist this effort.

If you would like to offer any kind of financial help, donations can be sent to Mary's account, as suggested on the accompanying letter from the DRC National Leader, Papa Kadima. Mary can then make sure the donations reach appropriate families, rather than going into a generic 'pot' of money.

Her details are :

Account Name Miss M N Bidard

Account No 43245446

Sort Code 20-07-84

Thanks very much.

Regards,

David

To whom it may concern

Dear beloved brothers and sisters and central bless families.

On behalf of D.R. CONGO Children I Would like to inform you that we have prepared 100 second generation and University Youth to attend the coming GLOBAL TOP GUN . Actually we are facing some difficulties to pay their airplane tickets and support some of them to issue their passport.

That's why we mobilize all our bless families to do fundraising and donation to support them.

Everyone who would like to help please do not hesitate just send your contribution for our children to attend this big and significant event.

Thank you in advance for your help.

May the blessing and the love and blessing of heavenly Father be with you and your Families.
