

You're Invited to the Pyeong Hwa Gyeong Self Study Course Part 3

Jaga Gavin
April 12, 2016

Pyeong Hwa Gyeong III

Join Dr. Hendricks in the third of six “guided self-studies” of the Pyeong Hwa Gyeong. Journey through The Mission of Women, The Mission of Youth, The Mission of Scientists, and The Mission of Journalists.

Explore the key differences and similarities in True Father’s and True Mother’s leadership styles. See how the role of women is exemplified through True Mother, and become enlightened through the perspectives and interpretations she brings to the forefront.

Pyeong Hwa Gyeong III

Investigate the role of women in the pursuit of creating a world of peace.

Learn how True Father explained the Divine Principle to scientists.

Discover how he addressed the principles on which journalists should publish their works.

Study his alternative solutions to Democracy, Capitalism, and Communism.

Keep journal records of your own personal discoveries and share them with fellow students.
