From October 12 to 13, the Minneapolis Family Church held a True Mother's Life Course Workshop featuring special guest lecturer Dr. Tyler Hendricks. More than 50 Unificationists, old and young, attended the two-day event to gain a deeper understanding of Dr. Hak Ja Han Moon, co-founder of Unificationism and the Family Federation for World Peace and Unification (FFWPU), and her role in God's providence.

Through a series of lectures, Dr. Hendricks provided participants with an in-depth look at the life and work of Dr. Moon, affectionately referred to as True Mother by Unificationists. The workshop featured topics such as "Predestination of True Mother," "True Mother's Course and Our Responsibility," "Cosmic Couple of Oneness," and "The Age of the Wife." This was Dr. Hendricks' last workshop in America before leaving for Korea.

Participants thoroughly enjoyed the two-day workshop, leaving with a more profound understanding and personal appreciation for Dr. Moon and her incredible life story.
