**Women's Federation for World Peace Youth UK
 Nepal Fundraiser**

On Sunday the 14th of June 2015, Women's Federation for World Peace Youth UK held a local fundraiser in aid of the victims of Nepal following the recent Earthquake. The event was hosted in the form of an afternoon tea party at WFWP UK Headquarters in the prestigious Ballroom which was organised with candles and seating to encourage an intimate gathering.

The refreshments at the event boasted a wide assortment of cakes, scones, biscuits, fruits, cheese and finger foods to be enjoyed with different types of tea, coffee and cold refreshing drinks. All in all the fundraiser was a huge success and saw well over 60 people in attendance all dressed for the occasion looking forward to the evening. Following the seating of everyone there were various forms of entertainment, including live music in different genres, including but not limited to Classical and Jazz, performed by extremely talented individuals.

As the evening was drawing to a close, we had one final surprise for the guests in the form of a raffle which was thoroughly enjoyed by the audience. The prizes were all donations and included a framed painting as well as mounted photos taken in Nepal. At the end of the evening it became apparent that this much anticipated fundraiser was extremely fruitful, as everyone enjoyed the opportunity to network, refreshments as well as the entertainment all to help for a good cause.

In the end we managed to raise a well respected sum of £792.22 from ticket sales and donations which will in its entirety go towards the chosen charity. It has been decided that this sum will be donated to the British Red Cross as it is the most feasible option and will be allocated specifically to the Nepal Earthquake Appeal to aid the victims of this natural disaster in the most appropriate way.
