October 10, 2023

The European Second Generation Department is excited to unveil a lineup of three engaging workshops scheduled for the summer of 2024. We encourage everyone to mark their calendars and start planning ahead for these enriching experiences.

We would like to inform you that we plan to hold at least three European workshops in the summer 2024 (see details below). We want to share the dates so that those who need to plan many months in advance can put them to their calendars. Please note that ODP+ WS will take place in July!

Experience at the summer workshops 2023 was magical; we believe that everyone's re-generation goes on, story of God continues. When the time comes, let's be ready to respond "Here I am."

The ODP+ workshop is scheduled to take place 14th – 24th July 2024 in Seminarhaus Neumuehle, Bad Camberg, Germany. **Age group:** 18 and older.

The ODP+ (Original Divine Personality+) workshop is a precious opportunity to go through some focused and stimulating spiritual training. Through the content, there is a chance to experience the core of True Parents' teachings, and also the core aspects of Second Gen education and care from years of experience. Indeed, the importance of connecting personally to God, True Parents, and other key relationships in our lives is a strong emphasis throughout the programme. In addition to the focused education, there will be many team challenges, sports and activities that will encourage you to bond and

go deeper in creating and exploring true friendships.

The Senior+ workshop is scheduled to take place 11th – 19th August 2024 in Seminarhaus Neumuehle, Bad Camberg, Germany. **Age group:** 15-20 years old.

This workshop is designed for the elder HARP age-group as well as for young adults aged 18-20. As always, this is the best opportunity in the year to reconnect with friends from all over Europe, to build new friendships and to gain strength and clarity about our shared identity and path as blessed children. There will be relevant and relatable content to go deeper into what it means to live a daily life of faith, along with discussions and interactive activities. Through the mixture of challenging, reflective and team activities, we want to build an atmosphere where we create wonderful, lasting experiences that remind us of our potential and our connection as brothers and sisters.

The ROOTS 22+ workshop is scheduled to take place 21st – 25th August 2024 in Seminarhaus Neumuehle, Bad Camberg, Germany. **Age group:** 22 and older.

The ROOTS 22+ workshop will offer a chance for you to take time aside to invest in your spiritual journey; as individuals and as part of our community. Part of the programme will be talks and presentations to stimulate discussion and generate a focused and reflective atmosphere. Alongside this there will also be chances for connecting and enjoying sports, games and nature together, based on the interests of the group.

With the personal challenges that we are facing, as well as wider concerns regarding the future of our universe, we can find ourselves both overwhelmed and unsettled. Every now and then, we need to reconnect to our roots to regain direction and clarity, and a greater sense of hope and purpose. We hope this workshop, together with the investment of all involved, can provide an opportunity for an internal refresh and shift forwards: through Reconnecting, Open hearts and Open conversations, Truth-seeking, and Supporting each other as brothers and sisters.
