Dear community,

We have some more details about the upcoming rally in Las Vegas on June 22 and the surrounding events.

First and foremost, the Peace Starts With Me main event is on June 22 at 2 p.m., then the following morning, on Sunday, June 23, there will be a special victory celebration with True Mother at IPEC.

Second, ACLC is holding a national convocation, bringing pastors and ministry leaders from across America together on June 21-22. Over 1,000 ministers will meet with True Mother during this convocation.

Third, there will be a 3-day youth workshop on June 21-23. Youth from around the nation are welcome to join this special workshop. They will join the already in session 7-day workshop that is also focused on youth and applied Divine Principle. Registration details coming soon.

The WFWP Global Women's Peace Network is launching officially in the Southwest Region on the evening of the 21st to the evening of the 22nd at the MGM Grand Hotel.

And finally, Chung Pyung is returning to America for a special 2-day workshop in Las Vegas. This will take place on Sunday and Monday, June 23-24, starting on Sunday afternoon after the victory celebration. More information and registration will be available online shortly.

Please consider attending and welcoming True Mother to our sub-region in person! We will do our best to organize well and make it as simple to go as possible. If you are hoping to simply attend the main event at 2pm, it is very possible to fly into Las Vegas in the morning and leave in the evening of the 22nd. Many of those who went from here to the LA Rally did that and had a very good experience with it. The cheapest tickets we have found for that kind of itinerary are around \$200 right now with Southwest Airlines.

Please let us know if you plan to attend, and what events you plan to attend. If the cost is a barrier to attending, let us know. The church may be able to cover part of the cost.

Sincerely,  
Pastors Mike and Adonia
