October 31, 2019

Dear family,

Happy Halloween! We hope everyone was safe and warm through the last couple winter storms this week. We are quickly turning the corner to the last leg of the year. Only two months now until New Year's and 2020. Here are a few highlights from this past month. Enjoy!

FALL HIKES TO SEE THE ASPENS

Roger Fuehrer organized two fantastic hikes to see the aspens at their peak in the mountains. The aspens were so beautiful and we are grateful to Roger for providing these opportunities for us to get out into nature more.

REPRESENTING COLORADO AT THE GWPB MIDWEST LAUNCH AND PEACE STARTS WITH ME FESTIVAL IN CHICAGO

A big thank you to Shirley Chimes for going to Chicago this month and representing our community at the Peace Starts With Me Festival and the Global Women's Peace Network's Midwest Launch!

RECOGNIZING TRIBAL MESSIAH VICTORS

A big congratulations to the Ichinohes, Bruners, and Geschwinds for becoming Heavenly Tribal Messiah Accomplishers. We look forward to giving more awards in the near future.

HOSTING A 2-DAY ILTP WORKSHOP

This month, we hosted a group of fifty people from the International Leadership Training Program. These bright-spirited men and women come from all over the world (Solomon Islands, Ghana, Japan, Philippines, Nepal, etc.) to receive leadership training and we were blessed to be able to host them for a short time.

SHARING FROM MRS. PAM STEIN, NATIONAL VICTORY FUND COORDINATOR

We were blessed to receive a visit from one of our elder members Mrs. Pam Stein, who took some time to share with us about the National Victory Fund and the value of being a part of it at this special time.

SUPPLEMENTAL EDUCATION PROGRAM FOR YOUTH

On Saturdays and Thursdays, a group of volunteers have begun a supplemental education program for youth, featuring academics, crafts, gardening, and spiritual education. A big thank you to all the volunteers including Dr. Hentrich, David and Christine Mahardy, and Julie Arnold.

WEST COLFAX CLEANUP DAY

The neighborhood cleanup, organized by Extreme Community Makeover, was really great this time. Our group cleaned up trash along the gulch and made stronger relationships with our neighbors nearby the church.

PASTORS' SHARING ON NATIONAL TRIBE CALL

Our pastors were invited to share on the national tribe call about what is happening here in Colorado, especially in the area of our new members. You can watch it by clicking on the image above.

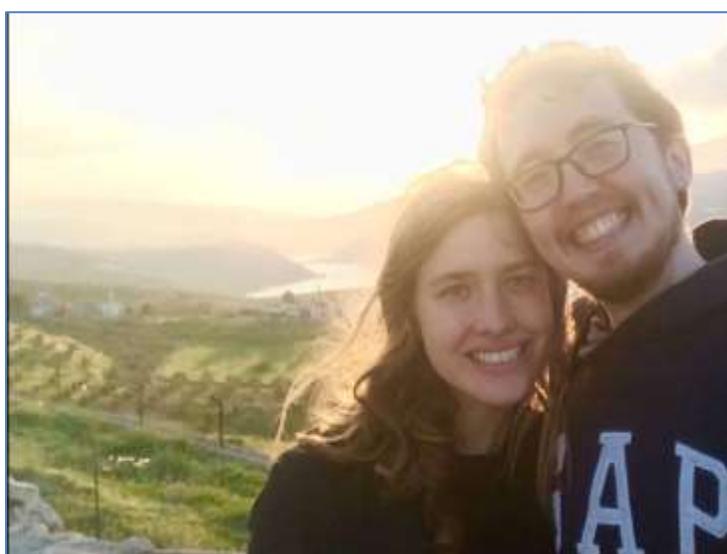

We started a new sermon series this month on, "[Attitudes of a Life of Faith](#)." This series is all about how a true life of faith should be expressed in our lifestyle and attitude. We've been getting some great responses to these messages. These messages have been on [Forgiveness](#), [Integrity](#), [Humility](#), [Generosity](#), and [Faithfulness](#). If you missed any of them, you can watch them on our [YouTube Channel](#) or [Facebook page](#).

SPECIAL RECOGNITIONS and PRAYER REQUESTS

On October 7th, Paul and Yuri Ichinohe welcomed the newest addition to their family, a happy and healthy baby boy, Owen Tadanori Ichinohe.

A big welcome to Ruta Smith and Jonathan Stuppel who just moved to Colorado and have joined our community.

We've finished repairs on the courtyard sidewalk as well as a new garden fence and gate. Thank you to Sjoerd Vanderstok and David Mahardy for all your help to make this happen.
