

Colorado Family Church: Tomorrow's Service and Special Cafe Updates

Dear family,

We look forward to seeing you for service tomorrow (and every week after from now on). Pastor Mike will be sharing a message on forgiveness and loving one another. We hope you can make it.

We are also excited to share some new developments with our cafe. If you saw last month's local updates, we shared that we are taking our cafe to a new level and will be featuring new items in the coming months. Starting this Sunday, we will be buying coffee beans fresh every week. Also, if you enjoy our toasted bagels, you now have the option to add on lox and bacon for a small fee. Lastly, we are offering bottled McCool drinks. We have a very limited quantity, so it is first come, first serve!
