

Colorado Family Church: Tomorrow's Service - Automotive and Kodan fundraisers

Michael Hentrich
March 20, 2021

Dear family,

We look forward to seeing you tomorrow especially since we missed you last week. We hope everyone weathered the storm without too much trouble.

For tomorrow's service, Pastor Adonia will be sharing the next message in our "Spiritual Laws" Series. You won't want to miss it!

Tomorrow is also Kodan's monthly fundraiser. They will be selling Japanese desserts, so don't forget to bring cash or checks for those.

We also want to let you know of some updates to the automotive services co-op fundraisers during March and April. With at least 24-hour advance notice, you may choose any Sunday after church to receive a car wash and/or oil change. Oil changes will also be offered on Wednesdays/Thursdays from 11:30-noon (\$10 car wash; \$30 for regular oil change; \$50 for synthetic). Headlight renewal is also offered for \$35. For an oil change, please text Gabriella (808-216-6833) with your car's year, model, make, and oil preference (regular or synthetic). Dr. Hentrich will oversee every aspect of the oil change process and older kids will assist him with a process they have been practicing during weekday classes.
