

**Colorado Family Church: Tomorrow's Service - Major Holy Day celebration,
Sunday April 30**

Michael and Adonia Hentrich
March 25, 2023

Dear family,

We look forward to seeing you soon for another Sunday service! Pastor Adonia will be sharing the message.

Below, you will find the recording from last Sunday's message. Sometimes we don't know what we want in life? There are things we want to do, things that are comfortable, but the things that our heart of hearts wants, the things our original mind yearns for, are often things we don't like or aren't comfortable. We have to decide what we want, and to do that, we need to understand what God made us to value. Take this journey with Pastor Mike today, and please share a like or comment if this message meant something to you. If you wish to see our recordings as soon as they are posted online, please follow our [YouTube channel](#) or [Facebook page](#).

We look forward to seeing you soon!

**Sincerely,
Pastors Mike & Adonia**

Announcements

Here are some photos from the recent Generation Peace Academy Family Workshop in Estes Park. We are really happy some members of our community could attend, as well as giving support to Elvis and Christian!

Anthony Alves and Yujin Angolio had their Commitment/Engagement Ceremony on March 17 online from Grand Junction. Yujin is originally from Nairobi, Kenya. She is senior at Princeton and is also involved in CARP on campus. It was a beautiful commitment ceremony, with many family and friends participating from all over the world. They will be participating in the upcoming Blessing in May.

As in previous years, Tami Tamayo will be offering a mini photoshoot on Easter Sunday. We will have more details next week, but please plan accordingly if you would like to do this.

This year's major Holy Day celebration will take place on Sunday, April 30. This year, we will have our usual Talent Show, Art Contest (theme this year is "Community"), Testimonies, and a Korean Dinner. In addition, we would like to have a T-Shirt Design Contest. More details on the t-shirt contest will be coming soon, and we are also working on confirming other activities as well.
