Memo on Judi's passing

Dear community members,

Our dear elder sister Judi Hoyte (in far left of choir) passed away the night of May 4th. It was her birthday yesterday, May 3rd, and after singing at Sunday Service (photo from yesterday), she celebrated with church members in the Brooklyn Church center. After returning home that night, she transitioned into spirit world during her sleep.

Please keep Judi Hoyte in your prayers as she makes her way into the next phase of her life.

We love you. We will miss you. Until we see you again, we will keep you in our hearts.

Sincere Peace and Blessings as our Sister Judi Hoyte makes her Transition to the eternal world. May she greet with joy All the saints, Jesus and our True Parents.
