

## Fundraising Team Leader Required for new Japanese Cheon Il Guk missionaries!

Matthew Huish

July 2, 2016

Would you be able to lead a small team of fundraisers around the UK? Three new Cheon Il Guk missionaries arrived from Japan last week to support our activities in the UK. To launch their mission in the UK, they will initially embark on a 40-day period of fundraising, but they need someone local to host them and guide them.

Would you be able to offer a few weeks of your time during July and August to lead this small team in their fundraising activities? You would be expected to:

- deliver daily internal guidance & inspiration
- allocate appropriate fundraising areas
- drive a rented vehicle to and from these areas
- keep the accounts of the results
