The Europe & Middle East Regional Director for all Cheon Il Guk organisations will meet the UK members formally in a talk in Central London, with the location to be confirmed.

We are looking into renting a venue in London with seating capacity of around 400+, with a few extra rooms for child care, etc.

Dr. Michael & Fumiko Balcomb want to invite all members from the UK to come to this occasion.

Date is Sunday the 19th November 2017
