Dear Vienna event participant! Attending the main event in Vienna on Sunday 29.4. the following rules of the Stadthalle need to be observed: With this ticket you can enter the hall only once. That means, that you cannot go inside and out again, because the electronic entrance system does not let you in after you have entered once.

Bags, umbrellas and coats have to be checked in at wardrobe/Garderobe. They are not allowed in the event hall.

Those who have a A4-size paper as a ticket, do not cut it in pieces. Valid only as a whole paper.

The event entrance ticket is valid as a bus-/tram-/train ticket in Vienna city-area public transportation 2 hours before the event, and 6 hours after the event.
