## Art Exhibition

Display your creative work at Cleeve House

### Hello creatives...

The Annual Gathering Festival this year is extra special! It will be the 50th Anniversary of the founding of the Unification Church in the UK. To celebrate such an amazing milestone we'll be holding an art exhibition titled **'Jubilee: Celebrating Family & Friends'**

The deadline for any submissions will be **Sunday, 12th of August** via email to Christopher Bennett at [bennett.y.chris@gmail.com](mailto:bennett.y.chris@gmail.com)

## Requirements

The artwork doesn't need to be specifically Unification Thought related but it's highly recommended. Art is a wide field. Painted pictures are not the only way to express art and creativity...

### Poets

Chris will print and frame your poem(s). It will be more presentable and professional if there was a small drawing or doodle near the poem (he will design this layout for you with your approval, of course).

### Art prints and digital art

If you have any artwork that is in digital format Chris will print and frame it for you at no extra cost! The provided frames will be no smaller than A4, no bigger than A3. Cropping might happen since he'll be using specific sized frames, so please select images that are measured to the sizes as mentioned

## **Crafts**

We have access to table space, however the room will also be used for meetings or lectures. As a result we might need to relocate crafts to another part of the room. Utmost care will be taken but accidents MIGHT happen. As a result, Chris suggests not exhibiting anything delicate (like glass, porcelain, etc).

---

This will be a great chance to showcase your skills as well as to commemorate such a historical event! If you'd like to participate, please email Christopher Bennett at '[bennett.y.chris@gmail.com](mailto:bennett.y.chris@gmail.com)' or PM on Facebook Messenger.

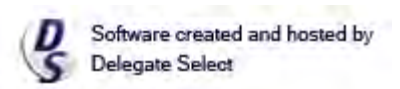

Chris suggests you have some **business cards** just so that people know who you are and where they can find you. This is NOT a requirement just a professional option. He will print out a slip with all the information you want about yourself regardless.

**---The deadline for any submissions will be the 12th of August.---**

## FED Talks

[Apply as a speaker now](#)

### Do you have an inspiring talk to share with the community?

FED talks are similar to TED Talks, except with a FFWPU twist! The festival will feature 3 x 20 minute talks at 10am - 1pm on Sunday.

There is only one overarching goal for all speakers - To stir curiosity and make members think. The topic of the talk is completely up to you and not limited to your experiences as a member (e.g science, self-improvement, culture, business, global issues, etc.).

You will also be provided with a projector to show slides/images/videos.

## Speaker application

Please note this is an expression of interest only (only 3 speaker slots available)
