

Help our publishing house go to the Frankfurt Book Fair: Buy TF's Autobiography

Dear brothers and sisters!

For many years, KANDO Publishing House – already established as a church publisher in the 1970s in Germany – has produced many publications, mostly in German, as well as more recently the church calendar for our European Movement.

In addition, literature in the English language pertaining to our movement is available through our website. It is of great concern to us to convey the words of truth to society.

For this reason, for several years already we have regularly had a stand at the Frankfurt International Book Fair, a platform where book lovers with a wide range of interests congregate annually. We are certain that here at the Book Fair an important door can be opened for new ideas to reach the hearts of the people. Thus for the past few years we have distributed thousands of copies of Father's autobiography to visitors of the Fair, along with advertising leaflets and reading extracts, in attractive little tote bags.

We would like to continue this tradition. The exhibition will take place this year from October

10-14, and the guest country is Georgia. It goes without saying that it is expensive to participate in the exhibition. Therefore we need your support. We would like to give you the opportunity to buy a certain number of copies of the autobiography, which will then be distributed to the public on your behalf by our assistants. We will use the small pocket format of the book, and one copy costs 4,- EUR.

Please let us know by e-mail how many copies you are willing to finance and you will be sent a bill for the corresponding price.

Unfortunately as a company we are unable to simply accept donations.

Since the exhibition attracts a very international public, you are also very welcome to send us publications, e.g. the autobiography, in different languages and we can distribute them. That would also greatly help us and broaden the range of books available.

And finally, we would like to invite you all personally to visit our stand and help out. On 13 and 14 October the fair is open to the general public. It is really worth it! Once gripped by the spirit of this atmosphere, you are caught forever!

Warm greetings
