Ancestor Liberation Ceremony for Generations 1-430 and Ancestor Blessing Ceremony for Generations 1-378

The Ancestor Liberation Ceremony and Blessing Ceremony are ceremonies where your ancestors are liberated and after welcoming them back on earth restore them to their original selves.

Blessing Ceremony for Unmarried 1st Generation Spirits

The 'Blessing Ceremony for Unmarried 1st Generation Spirits' was found through the words of True Parents. On January 2, 2003, commemorating the Day of Victory of Love, True Parents said "When doing collateral liberation, if you have an unmarried 1st generation (or a direct child) within your relatives, then you must do a separate spirit world blessing ceremony for that spirit." According to these words, the Training Center carried out its first Blessing Ceremony for Unmarried 1st Generation Spirits on 2003. So, this is the 9th spirit world blessing ceremony taking place during the Great Works.

Fulfillment of Wishes Prayer

Fulfillment of Wishes Prayer is a prayer where we offer the Hyojeong Offering Papers with our sincere wishes to heaven.

Removal of Evil Spirits

Please have a heart to repent your past and your ancestors' wrong past doings. If you attend with the heart that you will remove fallen nature and be beautiful and become the owner of Cheon Il Guk, more evil spirits will be removed.

Holy Ground Pilgrimage Stamp Event

Gather all the stamps from the points in the Holy Ground and then reach the Special Event Hall at the 1st Floor of the Heavenly Palace. You will get a fantastic prize!

Looking for Testimonies of Great Works

We will give a gift to all the members who wrote a testimony of at least a full page!
